RE: Request for Water Disaster Grant Support

Dear Judge Liggett:

The Dean-Dale WSC would like to formally request the County's support for a Disaster Relief Fund Grant, from the Texas Department of Agriculture. This grant will be for \$350,000 and used to drill additional water wells to add capacity to the Dean-Dale WSC.

The State will only contract with a City or County, and to be eligible for funds the WSC must be County sponsored. The County would act as a "Pass-Through" for the Grant funds. The County would "hold" the contract for the Dean-Dale WSC. Any supplemental cost such as required newspaper ads etc. would be paid for by the Dean-Dale WSC.

NORTEX RPC would be the Grant Administrators for this project. For the County, this project would operate very similar to the 2010 grant the County sponsored for the Charlie WSC.

Sincerely,

Joe Cox  
Director of Regional Services
