Product Description

The HG2 3pc LED Runner SUV Kit features super-bright, wide-angle LEDs and high-impact anodized aluminum CAB housing. The HG2 Runner™ System was engineered specifically for emergency response vehicles—marked and unmarked police vehicles, fire and rescue apparatus, ambulances and many types of watercraft.

(2) 72 inch (6 ft.) 140 total wide-angle, super-bright LED side visibility solution with anodized aluminum cab housing.

(1) Curved 60" (5 ft.) Taigate Runner.

(1) Controller for All Lights

Available in colors Amber, Blue, Green, Red and White. **Must have Controller already installed or purchase a new controller for Lights to work. Includes Controller.**

Available Vehicles:

- Chevrolet Tahoe (68" on sides)
- Chevrolet Suburban
- Ford Explorer (2006-2010)
- Ford Expedition (2007-Present) +\$300
- Other Custom Order
