

REDUCED PRICING

**** Addendum to the Data Processing Services Agreement****

In accordance with the Data Processing Services Agreement (DPSA) between Clay County (Client) and Justice Solutions (JS), this addendum shall document the addition of the Jail Information Public Inquiry Website functionality.

For the additional monthly consideration of \$270.00¹, JS will provide the client with access to the hosted Jail Information Public Inquiry Website².

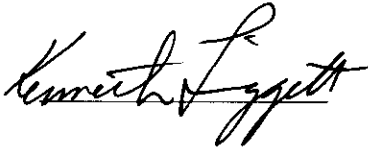

JS shall provide the jail information public inquiry website (in the form of a hyperlink to be placed on the County's website) upon approval of this addendum within 15 (fifteen) business days. Monthly billing will begin with provision of this service.

This Addendum shall become effective when executed and except as modified herein, all of the Terms and Conditions of the aforementioned Data Processing Services Agreement shall remain in full force and effect.
