RE: Groundwater Development Project
Clay County On Behalf of Dean Dale SUD
TDA Grant Project No. 7214127

Dear Judge Liggett:

As you are aware, on Friday, September 25, 2015 bids were received on the above referenced project.

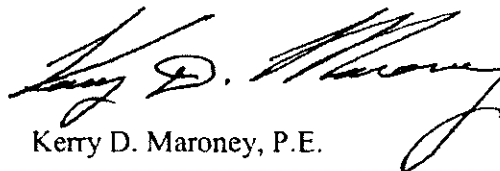

Two (2) bids were received with prices that ranged from \$329,208.00 to \$548,400.00. (See Attached Bid Tabulation Sheet).

Having evaluated all the bids, and coordinated with Dean Dale SUD, it is our recommendation that Clay County award the Base Bid to Tim Hall Inc., dba. THI Water Well (Low Bidder) in the amount of \$329,208.00. In addition, the various Add/Deduct Items should be accepted and utilized only as required.

It should be noted that there are sufficient grant funds, along with general fund contributions by Dean Dale SUD to pay for all improvements.

Sincerely,

BIGGS & MATHEWS, INC.

Kerry D. Maroney, P.E.
