The Honorable Kenneth Liggett
Judge, Clay County Commissioners Court
Henrietta, Texas 76365

Re: Inspection of Jolly Truck Stop Sewage Disposal

Dear Judge Liggett:

On 07 June 2016, Mr. Bill Cameron and I inspected the holding lagoon which collects the effluent sewage from the Jolly Truck Stop. We found that raw sewage was spilling over the lagoon, running down a private road and into the public drainage ditches for the county and the state of Texas. This constitutes a public health hazard.

Recommendations:

- 1) Close the source of the health hazard (restrooms of the Jolly Truck Stop).
- 2) Contact the Texas Department of Health for further specific recommendations.
- 3) Make periodic unannounced follow-up inspections to ensure compliance.

Respectfully submitted,

T. David Greer, MD
Clay County Health Official
