

### Drug & Alcohol Testing Fees

**Annual fees for FMCSA Drivers** per driver **\$57.50**

Billed annually in January based on year-end drivers' personnel list.  
**This price includes the following services at NO CHARGE**

**DOT Random Pulls**

Includes any random pulls electronically chosen throughout the year.

**DOT Onsite Hours**

Includes scheduled onsite hours for DATCS collectors throughout the year.

**Employer DER Training**

Provide Designated Employer Representative (DER) with adequate knowledge of their responsibilities as a DER.

**Complete Management Services**

Drug testing & record retention for DOT for pre-employment, random, post-accident, return-to-duty, and follow up testing.

**Random Pool Management**

DER notification of specific donors to be tested according to the pool's criteria. Results of all tests can be emailed and are available on-line through our unique integrated software. As a DER, you can generate reports 24/7 to see whether you are meeting the compliance DOT random requirement, which is our mission and goal.

**Station Management Operator System (MIS) Reports**

Annual MIS reports that will be mailed at the beginning of each new year. If audited by state or federal agencies, you must have these MIS reports to show that your company's drug and alcohol program is in compliance.

**Communication**

A knowledgeable and friendly Compliance Specialist is always readily available to assist you with any questions or concerns that you may encounter.

**Continue Update with Our Nationwide Collection Site Database**

DATCS ONLY conducts business with Third Party Collection sites that follow drug and alcohol testing in accordance with 49 CFR Part 40 collection procedures.

**Blind Specimen Submission**

Tests will be sent to labs under contract with DATCS for the purpose of quality control. This is required by DOT.

**Follow Up Random Program**

DATCS provides a follow-up random program that is required by DOT agencies after an employee, who had a positive result on a drug or alcohol test and completes the requirement of a SAP's recommendation.

**DOT Policy Updates**

There is no charge for updating your DOT policy purchased through DATCS.

**DOT Audit Support**

DATCS will provide MIS reports and assist with the audit questions for both federal and state agencies.

**Collection Site Setup**

DATCS will coordinate collection sites nationwide and provide specimen collection supplies for testing.

**Post-Accident Testing**

In the event of a post-accident, DATCS will assist with locating a collection site and provide the site with information to expedite the testing process 24/7.

**Federal Compliance Regulation Updates**

DATCS will notify the DER of any federal agency regulation changes as they occur.

**Newsletter**

An informational newsletter will be sent to the company representative on a quarterly basis. New and pertinent regulation changes, along with training and information will be addressed in each issue.

**DOT Drug Screen (pre-employment, post-accident, follow-up & reasonable suspicion)** **\$57.50**

**DOT Breath Alcohol Test** **\$25.00**

Non-Regulated Testing

6 Panel Instant Screening \$12.50

Testing for amphetamines, methamphetamines, cocaine, marijuana & opiates with no confirmation.

11 Panel Instant Screening for \$16.00

Testing for amphetamines, methamphetamines, cocaine, marijuana, opiates, benzodiazepines, PCP, Methadone, MDMA, Oxycodone & Propoxyphene with no confirmation.

Lab screening 11 panel with alcohol \$24.95

Testing for amphetamines, methamphetamines, cocaine, marijuana, opiates, benzodiazepines, PCP, Methadone, MDMA, Oxycodone, Propoxyphene & alcohol with no confirmation.

Confirmation Screening and Medical Review Officer (MRO) evaluation \$40

Confirmation Drug Testing is highly recommended when an instant screening test indicates a "non-negative" result. A certified drug screening laboratory confirms the result and a MRO interprets the lab result to determine whether a legitimate medical explanation for any test with a "confirmed Positive" result.

6 Panel Oral Fluid (Saliva) Testing \$18.00

Testing for amphetamines, methamphetamines, cocaine, marijuana, benzodiazepines & opiates. We suggest using oral fluid for when a donor cannot give the collector enough specimen (shy bladder) to complete a urine test.
