**Importance:** High

Good afternoon....

We are very pleased to have the opportunity to share a bit of the 80<sup>th</sup> Flying Training Wing's mission with the Clay County Commissioner's Court this Mon, 27 Feb at Sheppard Air Force Base.

If you would have the visitors come to the Missile Road Gate between 1:30 – 1:50pm we'll have time to do the paperwork for Security Forces.

It is the last gate, past the hospital gate (large orange brick building you see from the road) if you come in Spur 325. If you follow I-44 to Burkburnett/Lawton and turn at the Sheppard AFB exit, you will drop directly into the Missile Road gate entry.

Please park in the Visitor Center parking lot – follow the signs and turn right at the large patriotic horse display and park in the back. Both Lieutenant Colonel Manning and I will be outside looking out for you.

Bring your driver's license and Security Forces will issue an entry pass, we will be your escorts and we'll transfer to a base shuttle bus for convenience.

Between 2 – 3pm, we'll provide the Euro-NATO Joint Jet Pilot Training Program (ENJJPT en-jept) mission, 25-mile radius windfarm impact, and a tour of the radar approach control center, air traffic control tower and weather operations. Our hope is that you will really enjoy seeing your Air Force and the international fighter pilot program in action.
