Edwards Public Library Board of Trustees would like to submit Kristen Johnson as assistant librarian to the Clay County Commissioners Court for employment.

The Board voted to start the assistant at \$35,000 until the new county year begins, then to increase to the standard salary at that time.

Respectfully,

Judge Liggett and Clay County Commissioner's

Thank you, for adding me to the Clay County Commissioners Court agenda. After many resumes and interviews, the Edwards Public Library Board of Trustees selected the top three applicants for the position of Library Assistant for the Edwards Public Library. I was given the choice of whom, I wanted to work with and I selected Kristen Johnson.

I would like to recommend Kristen Johnson as the Edwards Public Library's new Library Assistant. She is qualified to work in the library field, due to the fact, that she is a history major she spent a lot of her time in the library at Midwestern State, doing research and would be able to assist patrons. I hope that you accept her as a new employee of Clay County.

Thank you again for taking the time to listen to my recommendation.
