HP M607dn Overview

Speedy and durable, the **LaserJet Enterprise M607dn Monochrome Laser Printer** from **HP** will be a great asset for demanding workplaces that require high-volume printing. It features impressive print speeds of up to 55 ppm with a first print out speed of just 5.3 seconds and offers automatic duplexing for fast two-sided printing when needed. It also has a max print resolution of 1200 x 1200 dpi that will create sharp, detailed text and documents.

This model features multiple options for media handling, including a 100-sheet multipurpose tray able to work with various paper types, including envelopes, from 3 x 5" up to 8.5 x 14" in size along a standard 550-sheet feeder for general print jobs. The printer even features a monthly duty cycle of 250,000 pages to ensure it can handle large jobs with ease. Built-in USB 2.0 and Ethernet connectivity are available to provide multiple setup options. Additionally, it features a rotating 2.7" QVGA LCD and keypad as the control panel and has an easy-access USB port is present for direct printing from a portable storage device.
