**Re: Open Records Request – Wind Farm Discussions**

Dear County Judge Liggett:

Under the Texas Public Information Act, §6252-17a et seq. ("the Act"), which guarantees the public's access to information in the custody of government agencies, I respectfully request copies of all correspondence that have anything to do with wind farms coming to Montague and Clay County, including, but not limited to all emails or written correspondence, including all attachments, between you, the Clay County Commissioner's Court ("CCCC") or any of the CCCC Commissioners, CCCC staff and/or employees, and any wind farm company employee (including, but not limited to Apex Clean Energy, EDF Renewable Energy, and Infinity Renewables), or their representatives, agents or contractors, or from any Clay or Montague County resident or landowner where something about the wind farms came up or were discussed, during the period beginning January 1, 2017 through today's date, October 29, 2018.

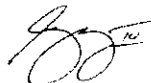

I would also like to request a waiver of all fees (pursuant to Section 552.267 of the act) in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of how these discussions will affect Clay and Montague County landowners. This information is not being sought for commercial purposes.

The Texas Public Information Act requires that you "promptly produce" the requested records unless, within 10 days, you have sought an Attorney General's Opinion. If you expect a significant delay in responding to this request, please contact me with information about when I might expect copies or the ability to inspect the requested records. Since time is a factor, please communicate with me by email or telephone rather than by mail. My telephone number is 940-841-3592 and my email address is [gwclay@phc.edu](mailto:gwclay@phc.edu).

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you in advance for your considering my request. I look forward to hearing from you promptly, as specified in the law.

Sincerely,

**George W. Clay IV**
