SUBJECT: Dispatch Chair Replacement Request

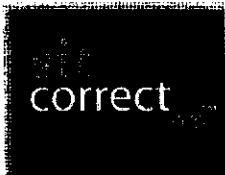

The Clay County Sheriff's Office Telecommunication Center's chair is in desperate need of replacement. Our current chair was purchase from sitcorrect.com in November 2009 for \$498.98. This chair has been reupholstered on 2 different occasions, along with wheel caster replacement on 3 different occasions, and the replacement of chair arms, twice. With the tremendous amount of use (24/7/365), just any chair will not survive. I recommend buying the same chair again but with a few upgrades such as anti-bacterial/microbial vinyl covering, cast aluminum base, and c-style chair arms. This chair can be purchased from officefurnitureasap.com (same company as sitcorrect.com, just a new name) a new chair, including upgrades, will cost \$561.96 plus free shipping. I have attached a copy of the original receipt from 2009 along with the price quote for the new chair. Other companies selling similar chairs range from \$1000 to \$1800.

Thank you,

Kerri Heaton
