Dear Clay County Commissioner Johnny Gee and
Clay County Judge Mike Campbell,

I am contacting you both to request your advice and co-operation in naming a road on my property in Dean, Tx. As you are aware I am developing property located on Hwy. 79 North and Fm 3393 which is known as Tammen Road in Clay County, coming from Wichita Falls it is just inside the Dean city limits.

It is my understanding that the access road that we are wanting to name will be consider a private road until it is finished to the counties specifications. Eventually the road will be taken over by the county.

It is mine and my sister, Leigh Ann Einhaus's wish that this road be named in honor of our beloved Grandmother. We would like to name it 'Elva Court Road'. Please let me know the procedure to follow to make this happen. Thanks for your time and consideration on this matter. I am looking forward to hearing from you.

Sincerely,

Scott Einhaus
