Judge Mike Campbell
Clay County Court House
214 N. Main
Henrietta, Texas 76365

Re: roof repairs on Court House.

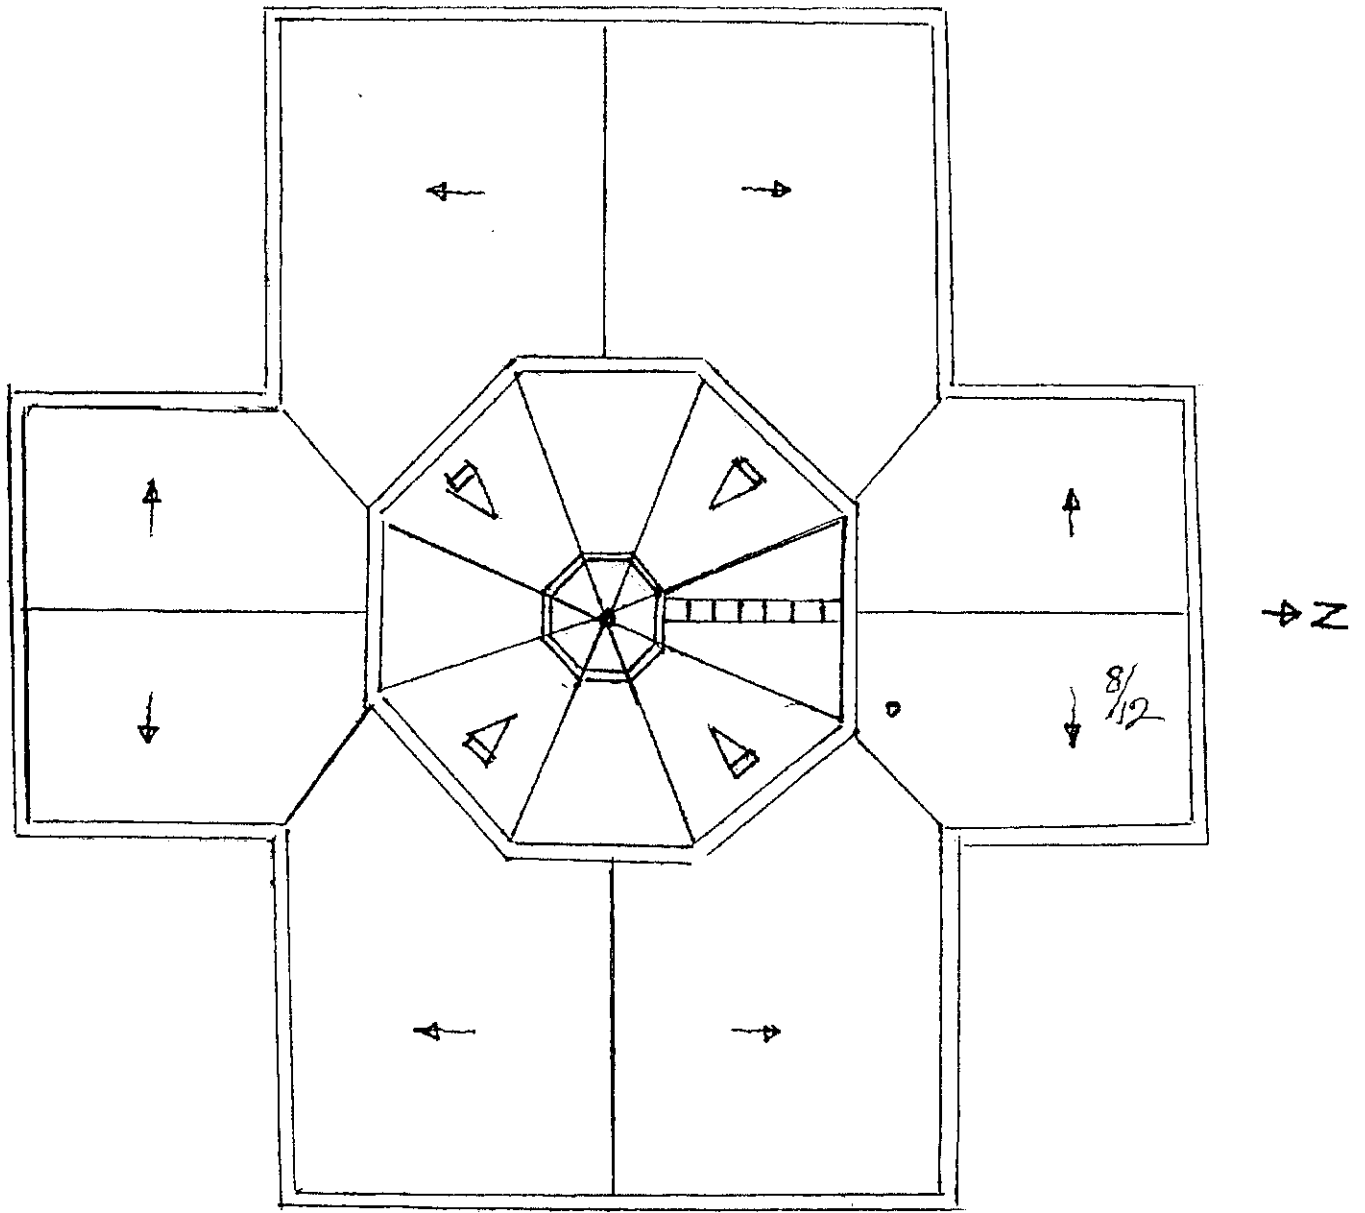

Replace broken and missing shingles and CC hip and ridge on dome. Repair the tops of all 8 hips and top of 4 window dormers on dome. Install new base, cap and collar on 8" furnace vent on north wing. Repair copper ledge at base of dome and at base of top of dome. Furnish all labor and materials for the sum of.....\$13,696.00. If a 60' JLG lift is required for this job, please add.....\$3,250.00.

Note: This price is based on Lydick-Hooks Roofing Co. being able to use any of the shingles and ridge materials you have stored across the street from the court house.

Thank You

Jerry Davis
