

April 15, 2020

To: Clay County Judge Mike Campbell & Commissioners
Precinct One-Richard Lowery
Precinct Three-John McGregor
Precinct Two-Johnny Gee
Precinct Four-Chase Broussard

From: Jerri Skelton, Secretary for the Clay County Texas A&M AgriLife Extension Office

Dear County Judge Campbell and Commissioners:

It has been my privilege to serve Clay County as secretary of the Clay County office of the Texas A&M AgriLife Extension these past years. This letter is to inform you of my plans to retire on May 31, 2020.

Even though I have visited Clay County all my life due to relatives living here, I only moved here in 1978. I love this county and have served the citizens here through several jobs: 5 years at the Clay County Leader; 19 years as director of the Clay County Substance Abuse Council later changed to Cross Timbers Council on Substance Abuse; and 15 years at my current job, for a total of 39 years. I raised both of my children here and wouldn't change a thing. Just because I am retiring doesn't mean that I will stop caring about our county or the people here.

I will always cherish my time as an employee of Clay County and the relationships I have made in the process. Thank you for allowing me to serve all these years.

Sincerely,

Jerri Skelton
Secretary, Clay County
Texas A&M AgriLife Extension Service
