Petrolia CISD Superintendent
Re: 2020-2021 CRF Operation Connectivity Bulk-Purchase Local Match Reimbursement Program

The intent and purpose of this CRF funding is to facilitate distance learning, including technological improvements, in connection with school closings to enable compliance with COVID-19 precautions and for developing online learning capabilities necessary to continue educational instruction in response to COVID-19 related school-closures.

As part of the application process, Petrolia CISD will be required to upload documentation reflecting that the County of Clay has allocated funds to Petrolia CISD for the bulk-purchase local match.

Upon the County Commissioner's Court voting to approve the designation of CRF funds as allowed by the Texas Education Agency, authorizing Petrolia CISD to submit to TEA for reimbursement under the Operation Connectivity Bulk Purchase Program, please sign below designating this document as official communication of the approval.

On this 21st day of September, 2020, the County Commissioners Court of Clay County Texas voted and approved to allocate CRF funds in the amount of \$9,750.00 to Petrolia CISD. This designation is 50% of the local share paid by Petrolia CISD in the Operation Connectivity Bulk Purchase Program.

I certify this allocation to be true and correct.

Mike Campbell, Clay County Judge
