RE: 2020-2021 CRF Operation Connectivity Bulk-Purchase Local Match
Reimbursement Program

The intent and purpose of this CRF funding is to facilitate distance learning, including technological improvements, in connection with school closing to enable compliance with COVID-19 precautions and for developing online learning capabilities necessary to continue educational instruction in response to COVID-19 related school closures.

As part of the application process, Midway ISD will be required to upload documentation reflecting that the County of Clay has allocated funds to Midway ISD for the bulk-purchase local match. Midway ISD has a local match of \$3,860 for the equipment ordered this summer that cost us \$7720. Midway ISD would be grateful for any allocation of funds from Clay County to help offset the cost of the distance learning equipment. Please complete the information listed below.
