

TAX ABATEMENT AGREEMENT

Between

**CLAY COUNTY, TEXAS and
BLACK PEARL SOLAR, LLC**

This Tax Abatement Agreement (this "Agreement") is entered into by and between Clay County, Texas (the "County") duly acting herein by and through its County Judge, and Black Pearl Solar LLC, a Texas Limited Liability Company. (together with its successors and assigns, "Black Pearl") effective as of the December 14, 2020 and is as follows:

Recitals:

- A. The Commissioners Court of Clay County, Texas, by Order dated December 14, 2020 designated the "Clay County Reinvestment Zone No.1-Black Pearl for commercial-industrial tax abatement (the "Reinvestment Zone"); the Reinvestment Zone is described in the Order and Exhibits attached thereto and filed in the Minutes of the Commissioners Court; and
- B. Black Pearl proposes certain improvements to be located on land within the Reinvestment Zone, with such improvements generally described as infrastructure necessary to generate and transmit approximately 300 megawatts (ac) (MW) of electricity, but in no event less than 150 megawatts (ac) (MW) of electricity, upon completion of a solar powered electric generation facility, which improvements being more particularly described and defined in this Agreement and hereinafter collectively referred to as the "Improvements."
- C. The Commissioners Court has concluded that the Improvements and operations proposed by Black Pearl within the Reinvestment Zone and described in this Agreement and the terms of this Agreement: (i) are consistent with the requirements of the Act and the Guidelines and Criteria for Granting Tax Abatement and Reinvestment Zones adopted by the County on August 31, 2020 (the "Guidelines"), or to the extent of any inconsistency with the Guidelines, the Commissioners Court has determined, in its discretion and in accordance with TEX. TAX CODE §312.002(d), that this Agreement should be entered into notwithstanding any such inconsistency, and (ii) constitute a major investment in the Reinvestment Zone that will be a benefit to the Reinvestment Zone and will contribute to the economic development of the County.
- D. Proper notice of the County's intent to enter into this Agreement has been provided to the presiding officers of each of the other taxing units levying taxes in the Reinvestment Zone not less than 7 days prior to the date on which this Agreement was approved by the Commissioners Court.
- E. This Agreement was adopted at a regularly scheduled meeting of the Commissioners Court which was preceded by written notice which was properly posted in accordance with the Open Meetings Act and at which a quorum of the Commissioners Court was present.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements set forth herein, the parties do hereby agree as follows:

ARTICLE 1. IMPROVEMENTS

1.1. Improvements in Reinvestment Zone. In consideration of the tax abatement granted in this Agreement, Black Pearl agrees to construct the Improvements within the Reinvestment Zone in accordance with this Agreement.

1.2. Timing of Improvements. Black Pearl projects that construction of the Improvements will begin during the fourth calendar quarter of 2022 and will be substantially completed on or before December 31, 2024. If Black Pearl has not (i) substantially completed construction of the Improvements by December 31, 2024 or (ii) delivered a Notice of Abatement Commencement pursuant to Section 2.2, this Agreement shall terminate and no abatement will be granted and neither party shall owe any obligation to the other hereunder; provided however that Black Pearl may, in writing, provide notice of its one-time election to extend the construction deadline to December 31, 2025.

1.3. Improvements. As used in this Agreement, the term “Improvements” shall mean and refer to the improvements, fixtures and equipment which are more particularly described in Exhibit A and that are installed in the County. The kind, number and location of all contemplated Improvements are described in Exhibit A. Notwithstanding the foregoing, only property meeting the following criteria shall be included within the definition of “Improvements” or “Facilities” (as defined in Section 7.4 hereof) pursuant to this Agreement: (i) the property must be located within the Reinvestment Zone, (ii) it must be eligible for tax abatement pursuant to Chapter 312 of the Texas Tax Code, (iii) it must meet the definition of an improvement as provided in Chapter 1 of the Texas Tax Code, and (iv) it must be constructed after the date this Agreement is approved by the Commissioners Court.

1.4. Plans and Specifications, Governmental Requirements and Workmanship. All Improvements shall be constructed and installed in accordance with plans and specifications (the “Plans and Specifications”) prepared by an engineer or architect licensed within one of the states of the United States of America and in accordance with all regulations of any governmental agency or entity having jurisdiction over any aspect of the construction. Black Pearl shall take such steps as are reasonably necessary to see that all work on the Improvements is completed in a good and workmanlike manner.

ARTICLE 2. TAX ABATEMENT

2.1. Tax Abatement Granted. Subject to the terms and conditions of this Agreement, the County agrees to a 100% abatement of all categories of ad valorem property taxes levied by the County on the Improvements and Facilities during the Abatement Period (hereinafter defined) as provided by this Agreement, subject to a Payment In Lieu Of Taxes (PILOT) as described in more detail herein.

2.2. Abatement Period; Commencement Date; Term of Agreement. The Abatement Period shall begin on the earlier of (a) January 1 of the first calendar year after COD or (b) January 1 of the calendar year identified in a Notice of Abatement Commencement (as defined below) delivered by Black Pearl (the “Commencement Date”). The period in which taxes are abated (the “Abatement Period”) will begin on the Commencement Date and will terminate on December 31 of the tenth (10th) year following the Commencement Date, unless sooner terminated in accordance with the terms of this Agreement. Termination of this Agreement shall not relieve either party of any covenants, obligations, or payments owing to the other as of the date the Agreement is terminated. As used in this Agreement, (i) “COD” means the date on which the Improvements commenced Commercial Operations Date; (ii) “Commercial Operations” means that the Improvements have become commercially operational and placed into service for the purpose of generating electricity for sale on one or more commercial markets; and (iii) “Notice of Abatement Commencement” means a notice that Black Pearl may, in its sole discretion, deliver to the County stating Black Pearl’s desire to commence the Abatement Period prior to January 1 of the first calendar year after COD. If delivered by Black Pearl, the Notice of Abatement Commencement shall contain the following statement (for example): “Black Pearl elects for the Abatement Period to begin on January 1, _____” [with Black Pearl to insert the proper year into the actual notice when given]; the date stated in the Notice of Abatement Commencement shall be the Commencement Date. Regardless of whether or not Black Pearl delivers a Notice of Abatement Commencement, Black Pearl shall provide certification of the COD in writing both to the County and to the County Appraisal District within sixty (60) days of the COD. If the certification indicates that certain ancillary Improvements not required for Commercial Operations are still under construction on the date that the certification is delivered, Black Pearl will deliver an amended certification to the County within thirty (30) days after construction of all Improvements is complete.

2.3. Payments In Lieu of Taxes. As consideration for the abatement granted by County under this Agreement, Black Pearl agrees to timely perform all covenants undertaken by Black Pearl pursuant to the terms of this Agreement including the making of an annual payment in lieu of taxes (the “Annual PILOT”) to the County for each year during the Abatement Period.

(a) Due Date. The Annual PILOT required by this Agreement must be paid to the County Treasurer not later than December 1 of the year for which abatement is granted. By way of illustration only, if the Commencement Date is January 1, 2023, then the PILOT for the first year of the Abatement Period must be paid not later than December 1, 2023.

(b) Calculation of the Annual PILOT. Black Pearl will pay to the County an Annual PILOT payment equal to \$750.00 per MW of Capacity. The amount of the Annual PILOT for each year during the Abatement Period has been determined and agreed to by the County and Black Pearl based upon (i) an estimate of the final appraised cost basis of the project net of Investment Tax Credits as determined by the Chief Appraiser of the County, (ii) an agreed effective abatement percentage of approximately 69%, (iii) the County’s ad valorem tax rate of approximately 0.725 per hundred, and (iv) the anticipated installed rated capacity of the project.

For illustration purposes only, in year 1 the anticipated PILOT for the project described above would be 300 MW x \$750.00, or \$225,000.00 in the first year, with the same amount paid annually for each year of the abatement period. The actual PILOT may vary, depending upon the Capacity.

c) Capacity. As used in this Agreement, the term "Capacity" shall mean the installed rated amount of the manufacturer's nameplate electric generating capacity of the Improvements located in the County, expressed in megawatts (ac), regardless of the amount of electricity that is actually produced or sold. The Capacity shall be determined as of the date of the COD certification and shall remain unchanged during the Abatement Period. As a part of the Annual Certification, pursuant to Section 3.9 below, the individual who is an authorized officer of Black Pearl shall prepare and file with the Commissioners Court a sworn statement of the rated Capacity of the Improvements not later than January 31 of each year during the Abatement Period. If a dispute arises between the County and Black Pearl as to the Capacity of the Improvements and (i) the Clay County Central Appraisal District ("Appraisal District"), as a part of its determination of the value of the Improvements, has made a determination of the Capacity for the year in which the dispute arises, then the determination of the Appraisal District shall be binding upon the parties or (ii) if the Appraisal District has made no determination as to the Capacity, the parties, in the absence of an agreement on the dispute, may seek a declaratory judgment on the matter pursuant to Chapter 37 of the Texas Civil Practice and Remedies Code.

(d) Annual PILOT in Lieu of Taxes. The parties agree that each Annual PILOT will be in lieu of all categories of ad valorem property taxes which would otherwise be owed by Black Pearl to the County (including Maintenance & Operating (M&O), Interest and Sinking funds (I&S), and any Lateral Road or special tax authorized by the Texas Constitution and in effect in Clay County at the time of this agreement) for any year during the Abatement Period with respect to the Improvements.

2.4. Conditions to Tax Abatement. The tax abatement granted by this Agreement is expressly conditioned upon the following conditions which must be satisfied throughout the entire term of this Agreement and with which Black Pearl agrees to comply with at all times, subject, however, to the notice and cure rights of Black Pearl set forth in Article 5 hereof:

(a) Construction of the Improvements. Black Pearl's timely construction of the Improvements in accordance with this Agreement.

(b) Compliance with this Agreement. Black Pearl's compliance with all material covenants and obligations undertaken by Black Pearl pursuant to the terms of this Agreement.

(c) Accuracy of Representations. The accuracy and truthfulness of the representations by Black Pearl contained in this Agreement as of the date this Agreement is executed.

(d) Payment of Taxes. The payment by Black Pearl, prior to delinquency, of all taxes levied by the County, any other taxing unit within the County based on the value of, or levied against, the Facilities or the Improvements. It shall not be a violation of this

provision if the party who is assessed the tax in good faith protests the levy or assessment of a particular tax by the timely filing of appropriate proceedings to prosecute a protest or contest of the tax, makes payment of the disputed tax during such protest or contest as required by applicable law, and pays the tax, as finally determined, prior to delinquency as required by applicable law.

(e) Improvements to Remain in Place following Abatement. Black Pearl agrees that the Improvements, once constructed, will remain in place for at least a period of ten (10) years following the end of the Abatement Period at a Capacity not less than 85% of the Capacity at which the Facilities operated, on average, during the final year of the Abatement Period year of this Agreement. Nothing herein prevents Black Pearl from replacing equipment or fixtures comprising the Improvements prior to the end of such ten (10) year period. This provision shall not be interpreted to require the Improvements to generate any minimum amount of electricity or require that any part of the Improvements generate electricity at any particular time.

ARTICLE 3. COVENANTS APPLICABLE TO CONSTRUCTION AND OPERATIONS AFTER CONSTRUCTION

3.1. Job Creation. Black Pearl agrees, during the Abatement Period to provide not fewer than two (2) new full-time jobs at an estimated minimum wage of \$43,615.00 annually in connection with the operation of the Facilities either through direct employment by Black Pearl or through employment by an Affiliate or Subsidiary of Black Pearl, or by contractors or service providers engaged to provide goods or services in connection with the construction of the Improvements and thereafter in the course of operating the Facilities. Black Pearl's obligation to create two (2) new full-time jobs relates to its Facilities as a whole and does not represent a commitment by Black Pearl that all new full-time jobs will be filled by residents of the County. However, in order to incentivize County residency, Black Pearl agrees to offer new employees who are not residents of Clay County, but who commit to move to Clay County, a relocation package of up to \$15,000, with the details of such package to be agreed to by Black Pearl and the employee. Black Pearl shall include in the Annual Certification confirmation of compliance with this section.

3.2. Road Repair. Black Pearl and its contractors and service providers shall have the right to use County maintained roads during the construction of the project. If requested by Black Pearl, the County shall provide a separate letter in a reasonable form, executed by the County Judge, that evidences the permission granted by the County to Black Pearl to use the County maintained roads

During construction of the Improvements, Black Pearl agrees to use commercially reasonable efforts to minimize disruption to County roads caused by the construction process and to repair any and all damage to the extent directly caused to County roads by Black Pearl or its agents during the construction period. Black Pearl shall have no obligation under this Article to repair or replace (in whole or in part) any County road that Black Pearl actually uses if any party (or parties) other than Black Pearl collectively causes fifty percent (50.00%) or more of the damage to such road between the Effective Date and the date of the issuance by Black Pearl of the

Certificate. Black Pearl will give the County not less than sixty (60) days prior notice of the county-maintained roads to be utilized by Black Pearl for construction of the improvements. The County will consult with Black Pearl and agree upon documentation the condition of the county-maintained roads to be used by Black Pearl and will provide Black Pearl with a copy of such condition report. During construction, the County will take reasonable steps to periodically document use of the identified roads during the construction of improvements and will report any evidence of degradation to Black Pearl. A post-construction road inspection will be made by the parties to determine any cost to repair or rehabilitate the county-maintained roads degraded or damaged by Black Pearl's use of the identified roads, and Black Pearl will be provided a copy of said report and given an opportunity to challenge any alleged damages.

3.3. Insurance. Black Pearl agrees to maintain in full force at all times starting at commencement of construction and continuing throughout the term of this Agreement the following insurance coverage issued by insurance companies authorized to conduct business in the State of Texas:

- (a) Commercial general liability coverage (including coverage for all equipment and vehicles) with aggregate limits of not less than \$2,000,000.00;
- (b) Worker's compensation coverage for all full-time employees to the extent required by Texas law; and
- (c) Casualty insurance in a commercially reasonable amount not substantially inconsistent with industry standards.
- (d) Black Pearl shall include in the Annual Certification confirmation of compliance with this section.

3.4. Safe Operations; Compliance with Governmental Requirements, Permits. Black Pearl agrees to operate the Facilities in a reasonable, prudent and safe manner and in compliance with all rules and regulations of any governmental entity having jurisdiction of its operations and in accordance with any permits issued by any governmental agency or entity with respect to its operations. Black Pearl shall not be in violation of this covenant if Black Pearl remedies or properly addresses any violation, or alleged violation, of a governmental rule or regulation within the time period required by the governmental agency having jurisdiction of such matter. Black Pearl shall include in the Annual Certification confirmation of compliance with this section.

3.5. Local Spending. Black Pearl agrees it will use commercially reasonable efforts to use contractors and vendors located in the County for the construction of the Improvements and the operation and maintenance of the Facilities. However, Black Pearl will not be required to use goods and services provided by local contractors or vendors where (i) such local goods or services are not comparable in quality to those provided by nonresidents, or (ii) such goods and services are not available on terms and conditions (including price and bonding capacity) comparable to those offered by nonresidents, or (iii) certain good and services must be obtained from vendors having certain qualifications or approvals to construct and install equipment such as the Improvements. In determining whether a particular contractor, subcontractor, or service provider

is qualified, Black Pearl may consider, among other things, (i) such person or firm's bonding capacity, (ii) financial and staffing capacity to carry out the work, (iii) expertise and experience, (iv) the requirements of any manufacturer with respect to the particular aspect of the work for which the person or firm is being considered, and (v) integrity, responsibility and reliability. Black Pearl agrees to designate a coordinator of local services who will act as a liaison between any individuals, businesses or contractors residing or doing business in the County who are interested in obtaining information about providing goods or services related to the construction of the Improvements. Additionally, Black Pearl agrees to do the following:

- (a) Not later than one month prior to the start of construction of the Improvements, Black Pearl will hold a job fair in within thirty miles of the Project area advertising construction employment positions and soliciting those persons or firms that are interested in selling goods or providing services with respect to the construction of the Improvements. No later than two weeks prior to the job fair, Black Pearl shall publish a notice in the local newspaper announcing the date, time and location of the job fair and the procedure for application. Applications from the job fair shall be distributed to the various subcontractors for consideration. Black Pearl will compile and maintain, throughout the construction process, a list of local prospective employees, vendors, contractors and service providers interested in participating in the construction process.
- (b) Not later than one month prior to filling a full-time position (excepting internal transfer and promotions) for the on-site operation of the Facilities, Black Pearl shall publish notice of the position in the local newspaper describing the position and the procedure for application. Any position requiring more than 35 hours per week shall be considered full time.

3.6. Inspections.

(a) Right to Inspect, Obtain Information. Subject to the further provisions of this Section 3.6, at all times during the term of this Agreement, the County, acting through its officers or a designated agent or employee, shall have reasonable access to the Improvements and the Facilities: (i) to verify compliance with the terms of this Agreement and the truth of any representations made by Black Pearl pursuant to the terms of this Agreement, (ii) to determine the Capacity, (iii) to obtain, or verify, information reasonably necessary to ascertain the Certified Appraised Value of the Facilities or (iv) any other fact or circumstance pertinent to the performance of this Agreement.

(b) Conduct of Inspections. The County agrees to provide Black Pearl with at least two business days advance written notice of any such on-site inspection and further agrees that any such on-site inspection shall be conducted in a manner that will not unreasonably interfere with the construction of the Improvements or the operation of the Facilities. All such inspections shall be made with one or more representatives of Black Pearl and in accordance with all applicable governmental safety standards. The rights of inspection set forth herein may be exercised by officers, agents or employees of the County or the Appraisal District. Nothing herein shall be construed to limit or diminish the authority of

the County or the Appraisal District to conduct inspections or obtain information under applicable law.

3.7. Annual Certification. On or before January 31 beginning with the first calendar year of the Abatement Period and continuing thereafter for each calendar year that this Agreement is in effect Black Pearl shall certify to the County its compliance with all material provisions of this Agreement. This annual certification (the "Annual Certification") shall contain a statement, sworn to by the individual who is an authorized officer of Black Pearl, stating that Black Pearl is in compliance with such material terms of this Agreement as well as a statement regarding the Capacity as required by Section 2.3(c) above. In addition, the first Annual Certification delivered after COD shall include Black Pearl's certification of the final cost of all Improvements included in the Project ("Black Pearl's Cost Certification") and the final rated capacity actually installed. Black Pearl shall amend Black Pearl's Cost Certification after the first Annual Certificate is filed if it discovers any material inaccuracy in the cost certification.

3.8. Determination of Value. The Chief Appraiser of the Appraisal District shall annually determine the Certified Appraised Value of all real and personal property making up the Facilities without regard to the abatement granted by this Agreement and the Certified Appraised Value of such property after applying the abatement granted this Agreement. The Chief Appraiser shall then record both values in the appraisal records. The value of the Facilities without regard to the abatement shall be used to compute the amount of abated taxes that are required to be recaptured and paid to the County in the event recapture of such taxes is required by this Agreement or applicable law. During the term of this Agreement, Black Pearl shall each year furnish the Chief Appraiser of the Appraisal District with such information as is required by applicable law (including Chapter 22 of the Texas Tax Code) and as may be necessary for the administration of the abatement specified in this Agreement. The Appraisal District will determine the values required herein in any manner permitted by applicable law, but without limitation of Black Pearl's rights in Section 3.9 hereinbelow.

3.9. Black Pearl's Right of Protest. Nothing in this Agreement shall limit Black Pearl's right to protest and contest any appraisal or assessment of the Facilities in accordance with applicable law. The abatement to which Black Pearl is entitled will be governed by the values finally determined in proceedings relative to any such protest or contest by Black Pearl. Nothing in this section, however, will allow Black Pearl to deny Black Pearl's Cost Certification or the representations regarding Capacity made in any Annual Certification required by this Agreement.

3.10. Estoppel Certificates. Either party hereto may request an estoppel certificate from the other party hereto so long as the certificate is requested in connection with a bona fide business purpose. The certificate shall certify, as of the date of the certificate: (i) that this Agreement is in full force and effect without default if such is the case, (ii) the remaining term of this Agreement, and (iii) such other matters as may be agreed upon by the parties. The parties shall not unreasonably withhold their consent to such requests.

3.11. Use of Improvements. The Improvements shall be used solely for the generation and distribution of electricity using solar equipment or battery storage facilities in furtherance of the County's development goals to achieve a major investment in the Reinvestment Zone that will

be a benefit to the Reinvestment Zone and will contribute to the economic development of the County.

3.12. Damage or Destruction of Improvements. If the Improvements, or any portion thereof, are destroyed or damaged by fire, windstorm, or other causes, regardless of whether such causes are based upon an act or omission of Black Pearl or an agent, employee, or officer of Black Pearl, Black Pearl shall replace such items to the extent that such replacement or repair can be accomplished using all available insurance proceeds. The damage to, or destruction of, the Improvements, or any portion thereof, shall not relieve Black Pearl from the duty to pay the Annual PILOT Amounts specified in Section 2.3(b) above.

3.13. Criteria for Insurance. The insurance policies required by Section 3.3 shall be issued by companies authorized to do business in the State of Texas and shall be rated "A" or above by A.M. Best and Company or Standard and Poor's or a comparable rating agency reasonably acceptable to the County.

ARTICLE 4. REPRESENTATIONS

4.1. By the County. The County hereby warrants and represents that this Agreement was authorized by an order of the Commissioners Court adopted on the date recited above authorizing the County Judge to execute this Agreement on behalf of the County. The County represents that (i) the County has formally elected to be eligible to grant property tax abatements under Chapter 312 of the Tax Code; (ii) the Reinvestment Zone has been designated and this Agreement has been approved in accordance with Chapter 312 of the Texas Tax Code and the Guidelines as both exist on the effective date of this Agreement; (iii) no interest in the Improvements is held, leased, or subleased by a member of the County Commissioners Court, (iv) that the property within the Reinvestment Zone and the Site is located within the legal boundaries of the County and outside the boundaries of all municipalities located in the County; and (v) the County has made and will continue to make all required filings with the Office of the Comptroller of Public Accounts and other governmental entities concerning the Reinvestment Zone and this Agreement.

4.2. By Black Pearl. Black Pearl hereby warrants and represents to the County:

(a) That Black Pearl is a limited liability company in good standing under the laws of the State of Texas; or in the case of a permitted assignee of this Agreement, that such assignee is authorized to do business in the State of Texas.

(b) That Black Pearl is not in default in the payment of any taxes owing to the federal, state or any local governmental units.

(c) That the officer of Black Pearl signing this Agreement is properly authorized to enter into this Agreement and bind Black Pearl to the terms thereof and Black Pearl is thereby authorized to perform all covenants undertaken by Black Pearl pursuant to this Agreement.

(d) That there is no operating agreement, certificate of formation provision, or agreement between Black Pearl and any third party which in any way limits Black Pearl's authority to enter into this Agreement and perform all covenants and agreements set forth herein.

(e) That none of the tangible personal property that is intended to be a part of the Improvements located within the Reinvestment Zone is located within the Reinvestment Zone as of the effective date of this Agreement.

ARTICLE 5. DEFAULT; REMEDIES

5.1. Default in Constructing Improvements. In the event Black Pearl has not provided a Notice of Abatement Commencement, then if Black Pearl fails to complete the Improvements on or before December 31, 2024 (or December 31, 2025 if Black Pearl exercised its one time extension right as set forth in Section 1.2 of this Agreement), and Black Pearl's failure to comply with those provisions of this Agreement are not cured following notice to Black Pearl pursuant to Section 5.3 below, Black Pearl shall be in default under the terms of this Agreement. In the event of a default in the construction of the Improvements the County or Black Pearl may terminate or cancel this Agreement, and thereafter neither party shall have any further liability to the other hereunder.

5.2. Default in Operations, Payments or Performance of Other Covenants. The occurrence of any of the following circumstances shall be an event of default under the terms of this Agreement:

(a) Black Pearl fails to timely pay any amounts owing to County pursuant to this Agreement, including any ad valorem taxes owed to the County, or fails to timely and properly follow applicable procedures for protest or contest of any such ad valorem taxes; or

(b) Black Pearl fails to timely perform any material covenant, condition or agreement it has undertaken pursuant to the terms of this Agreement;

(c) Any representation made by Black Pearl in Section 4.2 of this Agreement was untrue as of the Effective Date; or

(f) Black Pearl fails to comply with Section 2.4.

5.3. Notice, Right to Cure. Upon the occurrence of an event of default (including default under Sections 5.1 or 5.2 above), the County shall give Black Pearl written notice specifying the default.

(a) Monetary Defaults. If the event of default relates to the payment of money, Black Pearl shall cure such default within 90 days of the date of the notice from the County.

(b) Non-Monetary Defaults. If the event of default is based upon an event other than a default in the payment of money, Black Pearl shall cure such default within 90 days of the date of the notice of default by the County. This cure period shall be extended for the period of time referred to in Section 9.7 of this Agreement if any circumstance identified in Section 9.7 delays the cure of any such default. This cure period shall be extended if the goods and services necessary to cure same are not reasonably available to Black Pearl within the 90-day time period; provided, that Black Pearl shall provide the County with documentation that such goods or services are not available. If the goods and services are not reasonably available to Black Pearl within the 90-day cure period, the cure period shall be extended for a period of an additional 90 days or such additional time period as the documentation demonstrates is reasonably necessary to cure the default, but not longer than 180 days without the approval of the County.

5.4. Remedies. If an event of default is not cured in accordance with Section 5.3 above, then, except with respect to an event of default occurring under Section 2.4(f), the County may recapture all *ad valorem* taxes abated pursuant to the terms of this Agreement to the date of any default but providing a credit to Black Pearl for the sum of the Annual PILOTs paid to the date of the default. In the event of an event of default occurring under Section 2.4(f), the County may recapture of all *ad valorem* taxes abated pursuant to the terms of this Agreement to the date of such default for the removed Improvements only but providing a credit to Black Pearl for the sum of the Annual PILOTs paid to the date of the default for the removed Improvements, but the County may not terminate or cancel this Agreement because of a default under Section 2.4(f). In addition the County shall be entitled to avail itself of any remedy available to it for the collection of property taxes under the Texas Tax Code or applicable law including: (i) the charging of interest on past due taxes, attorney's fees and costs, but not penalties (in each case in the amounts provided by the Texas Tax Code for charges in connection with delinquent property taxes), and (ii) the County shall have a lien which shall be equivalent to a tax lien created pursuant to TEX. TAX CODE §32.01. This lien shall attach to all taxable property as provided in TEX. TAX CODE §32.01 and shall have the same priority as a tax lien existing under TEX. TAX CODE §32.01. Notwithstanding the foregoing the County's right to foreclose this lien shall be subject to the County's compliance with the notice and right to cure provisions of Section 5.6 below. Exercise of any of the statutory remedies described in this Section 5.4 shall not constitute an election which would prohibit the County from exercising any remedy it may have under the terms of this Agreement. Except as set forth above, the County's remedies for an uncured default by Black Pearl under this Agreement include:

- (a) The County may cancel this Agreement or modify this Agreement with Black Pearl's written consent.
- (b) Within 90 days of the date of a demand by the County that it does so, Black Pearl shall pay to the County an amount equal to all taxes abated, less a credit for PILOT payments made to the date of such notice together with penalties and interest as provided for in the Texas Tax Code.
- (c) Foreclose any of the liens described in this Section 5.4 above.

(d) File suit against Black Pearl seeking a judgment for any amounts owed to the County under this Agreement.

THE REMEDIES DESCRIBED IN THIS SECTION 5.4 SHALL BE THE COUNTY'S SOLE REMEDIES, AND BLACK PEARL'S SOLE LIABILITY, IN THE EVENT BLACK PEARL FAILS TO TAKE ANY ACTION REQUIRED BY THIS AGREEMENT, INCLUDING ANY FAILURE TO PAY AMOUNTS OWED UNDER THIS AGREEMENT. BLACK PEARL AND COUNTY AGREE THAT THE LIMITATIONS CONTAINED IN THIS PARAGRAPH ARE REASONABLE AND REFLECT THE BARGAINED FOR RISK ALLOCATION AGREED TO BY THE PARTIES. IN THE EVENT OF A BREACH OF THIS AGREEMENT, ANY TAXES DUE BY BLACK PEARL SHALL BE SUBJECT TO ANY AND ALL STATUTORY RIGHTS FOR THE PAYMENT AND COLLECTION OF TAXES IN ACCORDANCE WITH THE TEXAS TAX CODE.

5.5. No Abatement for Calendar Year of Default. If there is a default (other than a default pursuant to Section 5.1 above) that is not cured by Black Pearl within the time permitted by Section 5.3, Black Pearl shall not be entitled to abatement of taxes for the calendar year in which the default occurs or for any portion of the remaining term of this Agreement. If a default continues over more than one day, it will be considered to have occurred on the date on which it first occurred.

5.6. Mortgagee Protection. Notwithstanding any other provision hereof, County agrees that Black Pearl may, without any further consent from the County, mortgage, pledge, or otherwise encumber its interest in this Agreement to any Mortgagee (as defined in Article 7) for the purpose of financing operations of the Facilities, constructing the Improvements or acquiring additional equipment for the Facilities following any initial phase of construction. Any Mortgagee shall be entitled to receive the same written notice of any default as County is required to provide Black Pearl hereunder so long as County has been provided notice of the identity and address of such Mortgagee, and such Mortgagee shall be entitled to cure or commence cure of any such defaults in the same manner as Black Pearl. This provision shall not be construed to limit or diminish the County's lien priority for taxes owed pursuant to the Texas Tax Code.

ARTICLE 6. ASSIGNMENT

6.1. Assignment. So long as no default exists and is continuing at the time of the proposed assignment and Black Pearl provides the information required under Section 6.2 hereinbelow, and subject to the restrictions set forth in Section 6.5, Black Pearl may, with the consent of the County, assign, in whole or in part, any of its rights or obligations under the terms of this Agreement or in the Improvements, Leases or the Facilities. Consent of the County may only be withheld under those circumstances described in Section 6.3 below. After an assignment that is completed in accordance with the requirements of this Agreement, Black Pearl shall have no further rights, duties, or obligations under this Agreement to the extent such rights, duties, and obligations have been assumed by the assignee. The parties agree that a transfer of all or a portion of the ownership interests in Black Pearl shall not be considered an assignment under the terms of this Agreement and shall not require any consent of the County. The "ownership interests" for purposes of this Section 6.1 include limited liability company, corporation, or partnership ownership interests.

6.2. Information on Assignee to be Provided to County; Timing of Consent. In the event Black Pearl proposes to assign all or any portion of its interest in the Facilities in a transaction that requires the County's consent, Black Pearl agrees to provide the County the Background Information (as defined in Section 7.2) on the proposed assignee. Black Pearl agrees to reimburse the County, up to a maximum of \$5,000.00, for any expenses incurred by the County in obtaining or analyzing any of the Background Information.

6.3. County May Withhold Consent. The County may withhold its consent to a proposed assignment, and such action by the County will not be considered to be unreasonable if: (i) the proposed assignee cannot demonstrate that it reasonably can expect to have, during the term of this Agreement, annual revenues sufficient to comply with the Agreement and pay the ad valorem tax assessments from Clay County as they are made, or the proposed assignee cannot otherwise demonstrate its financial ability to abide by all terms and conditions set forth herein, (ii) the proposed assignee has a record of violations or defaults with respect to its operations of solar projects such that the assignee does not have the capability and reliability to perform the requirements of the Agreement, and (iii) the assignee does not comply with each of the conditions to assignment set forth in Section 6.4 below. If the County reasonably requests additional information, the County, Black Pearl and the prospective assignee agree to negotiate in good faith regarding what information will, and will not, be made available to the County and any conditions to the disclosure of such information. The County shall advise Black Pearl in writing of whether it consents to a proposed assignment not later than 30 days from the date the County is provided with all information required by Section 7.2. If the County decides to withhold its consent, it shall provide the reasons it is doing so in the written decision.

6.4. Conditions to Assignment. Black Pearl's assignment shall also be conditioned on the following:

(a) The execution and delivery to the County of an addendum to this Agreement, in a form substantially similar to this Agreement, wherein: (i) in the case of a partial assignment, it is executed by Black Pearl and the assignee and provides that each of them assume and agree to timely discharge all covenants and obligations under the terms of this Agreement, and (ii) in the case of a full assignment, it is executed by the assignee and provides that assignee assumes and agrees to timely discharge all covenants and obligations undertaken by Black Pearl under the terms of this Agreement;

(b) Proof reasonably acceptable to the County (which may be in the form of an opinion of legal counsel) that the assignee is authorized to sign the addendum and perform the covenants and obligations thereby undertaken;

(c) The absence of any event of default under the terms of this Agreement for which a notice of default has been given and the cure period has expired; and

(d) Proof that the proposed assignee has obtained or will obtain the insurance coverage required by this Agreement.

6.5. Sale or Transfer to Non-taxable Entity.

(a) If, during the Abatement Period or the period of time during which Black Pearl is required to maintain continued operations pursuant to Section 2.4 above, Black Pearl proposes a Transfer to a Non-taxable Entity, Black Pearl shall pay to the County an amount equal to: (i) all *ad valorem* taxes abated under the terms of this Agreement but giving credit to Black Pearl for the sum of all Annual PILOTs made to the date of the proposed assignment, and (ii) all *ad valorem* taxes which would be due and owing for the year during which the assignment is made, even though such taxes may not yet be billed or finally assessed. Such payment shall be made prior to the effective date of any such assignment to a non-taxable entity.

(b) Any Transfer to a Non-taxable Entity by Black Pearl without compliance with Section 6.5(a) above shall be considered a default under the terms of this Agreement without the requirement of any notice by the County to Black Pearl or opportunity to cure. Following any such default the County will be entitled to: (i) recapture the taxes abated pursuant to this Agreement in accordance with Section 5.4 above and/or (ii) pursue, without election of remedies, any other remedy available to it under this Agreement or applicable law.

(c) As used in this Agreement, a "Transfer to a Non-taxable Entity" shall mean any sale, transfer or assignment, in whole or in part, of the Improvements or the Facilities under circumstances where the assignee is exempt from property taxation, under applicable law, with respect to the Improvements or the Facilities, or any portion thereof, sold, transferred or assigned to the assignee.

ARTICLE 7. DEFINITIONS

As used in this Agreement, the following terms shall have the respective meanings assigned to them below:

7.1. "Affiliate" or "Affiliate of Black Pearl" shall mean a person who controls, is controlled by, or under common control with another person and "Subsidiary" or "Subsidiary of Black Pearl" shall have the meaning assigned to it in the Texas Business Organizations Code.

7.2. "Background Information" shall include, without limitation, in the case of an assignee or partial assignee and any Affiliate of any assignee:

(a) its legal name or identity;

(b) the address of its local office in the County, its registered office and address maintained with the Secretary of State of the State of Texas and its principal or home office;

(c) the state in which it was chartered and its registered office and agent in that state, the name and address of its registered agent and office in the State of Texas, and the names and addresses of all governing persons (as that term is defined by the Texas Business Organizations Code);

(d) all public filings made in the year of the proposed assignment and the preceding two years with the Securities and Exchange Commission of the United States or with the agency of any state regulating securities transactions, if any; and

(e) a report from an independent financial rating firm selected by the County, such as Dunn and Bradstreet or Moody's, if such report exists.

7.3. "Certified Appraised Value" shall mean the appraised value of property that is subject to property taxation under the Texas Tax Code determined and certified by the Chief Appraiser of the Clay County Central Appraisal District for each taxable year.

7.4. "Facilities" shall mean the Improvements and all other tangible property or fixtures, more fully described in the attached Exhibit A, used by Black Pearl in connection with its solar power electric generation and battery storage operations in the Reinvestment Zone and shall include any property added to the Improvements because of repairs, retrofitting, or additional improvements during the term of this Agreement which are not the result of a casualty loss covered by Section 3.14 above.

7.5 "Mortgagee" means any entity or person providing, directly or indirectly, with respect to the Improvements or Facilities any of (a) senior or subordinated construction, interim or long-term debt financing or refinancing, whether that financing or refinancing takes the form of private debt, public debt, or any other form of debt (including debt financing or refinancing), (b) a leasing transaction, including a sale leaseback, inverted lease, or leveraged leasing structure, (c) tax equity financing, (d) any interest rate protection agreements to hedge any of the foregoing obligations, and/or (e) any energy hedge provider. There may be more than one Mortgagee.

ARTICLE 8. NOTICES

8.1. Notices. All notices or other communications required or permitted by this Agreement shall be in writing and shall be deemed to be properly given when delivered personally to any of the hereinafter designated addresses or the named representatives thereof, or when mailed by prepaid certified mail, return receipt requested, addressed to such party at the respective addresses set forth below:

If to the County:

Clay County, Texas
Attn: County Judge
Clay County Courthouse
214 N. Main
Henreitta, Tx 76365

If to Black Pearl:

Black Pearl Solar LLC
c/o Metersky Energy, LLC
5960 W. Parker Road
Suite 278-442
Plano, Texas 75093

Either party may change the address for notices by a written notice forwarded in accordance with the foregoing.

ARTICLE 9. GENERAL PROVISIONS

9.1. Governing Law; Venue. This Agreement shall be construed and governed in accordance with the laws of the State of Texas without giving effect to its conflict of law rules. Venue for any action relating to the interpretation or performance of this Agreement or to enforce any right or obligation relating to this Agreement shall be in a court of competent jurisdiction in Clay County, Texas or the United States District Court for the Western District of Texas, Midland, Texas.

9.2. Waiver. The failure of either party to enforce any right or demand strict performance of any obligation of the other party under this Agreement shall not operate as, or be construed to be, a waiver of such right or obligation.

9.3. Entire Agreement, Interpretation. This Agreement, including Exhibit A, constitutes the entire agreement between the parties regarding the subject matter hereof and supersedes all prior or contemporaneous discussions, representations, correspondence or agreements, written or oral. This Agreement may only be amended by a written instrument signed by both parties or their duly authorized officers or representatives. The language of this Agreement shall be construed as a whole according to its fair and common meaning and shall not be construed for or against either of the parties hereto. All titles or headings to sections or other divisions of this Agreement are only for the convenience of the parties and shall not be construed to have any effect or meaning with respect to the content of this Agreement, such content being controlling as to the agreement between the parties hereto.

9.4. Severability. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement.

9.5. Black Pearl as Party to Litigation. In the event any litigation is initiated questioning or challenging the validity of this Agreement or any part hereof or any of the underlying orders or Commissioners Court actions authorizing the same, the County agrees not to object to Black Pearl's joinder or intervention in such litigation.

9.6. Force Majeure. If Black Pearl's performance of any obligation or obligations under this Agreement is interrupted, delayed, or prevented by any contingency or cause beyond the control of Black Pearl and which is not directly or indirectly caused by the acts or omissions of Black Pearl's officers, employees or agents, then Black Pearl shall be excused from the performance of any such obligation or obligations during the period of time that Black Pearl is reasonably unable to perform such obligation or obligations as a result of such contingency or cause, and no default will have occurred with respect to such circumstances. Notwithstanding any other provision of this Agreement to the contrary, in the event a party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement (other than any obligation to make payment of any amount when due and payable hereunder), the obligation of such party, so far as it is affected by such Force Majeure, shall be suspended during the continuance of any condition or event of Force Majeure, but for no longer period, and such condition or event shall so far as possible be remedied with all reasonable dispatch. Contingencies or causes beyond the control of Black Pearl include, without limitation:

(a) Acts of God, or the public enemy, any natural disaster, pandemic, war, riot, civil commotion, insurrection, fires, explosions, accidents, floods, and labor disputes or strikes;

(b) To the extent it affects Black Pearl's ability to perform a non-monetary covenant or obligation under this Agreement:

(i) A change in a governmental law or regulation if Black Pearl complies with the changed or revised law or regulation within the time limits, and in the manner, provided by such changed or revised law or regulation;

(ii) A delay occasioned by the fact that supplies or materials are not reasonably available or the fact that a contractor or subcontractor is delayed in performing services and in either case the circumstance is not directly or indirectly caused by the acts or omissions of Black Pearl.

9.7. Multiple Counterparts. This Agreement may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which constitute, collectively, one agreement. Once all parties to this Agreement have signed a counterpart, this Agreement shall be binding upon all parties in accordance with the terms hereof.

9.8. Recording of Agreement. The parties agree to execute this Agreement in recordable form and that a duplicate of this Agreement shall be recorded in the Official Public Records of the County Clerk of Clay County, Texas.

9.9. Adoption of Agreement. The County agrees that any other taxing unit eligible to enter into agreements relating to the abatement of taxes may adopt all or any portion of this Agreement.

9.10. Further Acts. The parties each agree to cooperate fully with the other and to take such further action and execute such other documents or instruments as necessary or appropriate to implement the terms of this Agreement.

9.11. Conflict with Guidelines. To the extent this Agreement modifies any requirement or procedure set forth in the Guidelines, those Guidelines are deemed amended for purposes of this Agreement only.

9.12. Indemnity. Black Pearl agrees to indemnify, defend, and hold County harmless against and from all liabilities, damages, claims, and expenses, including without limitation reasonable attorneys' fees, that may be imposed upon or asserted against County by any third party in connection with Black Pearl's alleged breach of this Agreement. Black Pearl shall not be required to indemnify, defend, and hold County harmless against third party claims asserting procedural defects relating to the County's adoption of this Agreement. Black Pearl will reimburse the County for all costs, including reasonable and necessary legal fees, in any final disposition of a claim that is subject to indemnification by Black Pearl under the first sentence of this Section, whether by adjudication or alternative dispute resolution procedures.

9.13. Expenses of Negotiation and Compliance. Black Pearl agrees to pay the County's reasonable expenses incurred as a result of the negotiation, including all costs of publication or other required procedures under applicable statutes, of this Agreement including all reasonable and necessary attorneys' fees incurred during the negotiation and preparation of this Agreement. Payment is to be made within 30 days of receipt by Company of invoice from Clay County, with supporting documentation sufficient to enable Black Pearl to verify such expenses. Notwithstanding anything in this paragraph, the maximum reimbursement to be paid by Black Pearl is \$10,000.00

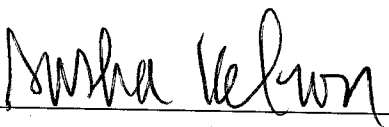

[Balance of this page left blank intentionally.]

EXECUTED AND EFFECTIVE as of the date and year first written above.

Exhibit A

Description of the Improvements

Improvements include, but are not limited to:

- Photovoltaic modules
- DC-to-AC inverter stations (inverters, medium-voltage transformers, associated electrical cabling and controls)
- Tracker racking system (mounting structures)
- Medium- and high-voltage electric cabling
- Project substation (transformer, switchgear, transmission equipment, telecommunications, SCADA equipment)
- High-voltage transmission line connecting the Project to Oncor's transmission system
- Operations and maintenance trailer
- Balance of plant and associated equipment (including DC cabling, communication and control cabling, conduit, combiner boxes and/or disconnect switches) to safely operate and maintain the facility and deliver electricity to the grid

Policy on Tax Abatement and Other Economic Development Incentives for Clay County, Texas

Section A. Purpose

1. The County of Clay, Texas (County), is committed to the promotion of economic development in all parts of the County to achieve the following goals and purposes:
 - a. to improve the quality of life for its citizens and taxpayers
 - b. to avoid harming, creating a diminution of existing value, discriminating against, or unduly affecting the quality of life for its citizens and taxpayers
 - c. to promote economic development in all parts of the County
 - d. to utilize, within its discretion, specific incentives to promote such economic development
 - e. to protect the environment, historical and cultural resources, and sites, wildlife species, the aesthetic, and ethical integrity of the lands, property, and citizens of the County
 - f. provide a transparent and open process for any persons or entities seeking any incentive from the County, to the County's citizens and taxpayers throughout the entire process
 - g. to provide initial minimum requirements, specific guidelines and a process for those individuals and entities seeking any support or incentive from the County, which the County believes is necessary and beneficial to the County, its citizens, and taxpayers
2. To help meet these goals, the County will consider providing tax abatement or other incentives to stimulate economic development in the County and expand the local tax base. It is the policy of the County that such incentives will be provided to appropriate businesses following the procedures and criteria outlined in this document. Nothing in this policy shall imply, suggest, or be construed to imply or suggest that the County is under any obligation to provide an abatement or incentive to any applicant. All applicants for tax reduction or other economic incentives shall be considered on an individual basis.

Section B. Criteria for Tax Abatement and other Economic Development Incentives

1. The following criteria will be addressed by the Clay County Commissioners Court for an applicant to be considered eligible to contract for tax abatement or any other economic development incentive:
 - a. An investment by the applicant that will increase the fair market value (“FMV”) of the reinvestment zone property by not less than \$1,000,000.00 is required. If the project is too small to increase the FMV by \$1,000,000.00, it must increase the FMV of the reinvestment zone property by not less than 50% of the current FMV
 - b. The application shall include personal (capital equipment) or real property improvements
 - c. Tax abatement may be granted to owners of real and personal property for projects where the real property is leased, and special terms and conditions may be set in the agreement governing each specific tax abatement
 - d. Inventory and supplies shall not be included
 - e. The project must meet the requirements of the building codes and other applicable County requirements and City Codes, within the city limits or extraterritorial jurisdiction (“ETJ”) of the cities with ETJ in Clay County
2. In addition to the minimum requirements stated above, the following criteria will be considered in determining what level of tax abatement or other incentives may be provided to the applicant:
 - a. Expansion of the local tax base
 - b. Creation of permanent full-time employment and projected 5-year growth in the number of employees.
 - c. Tax abatement must encourage employee benefits such as health insurance
 - d. The types of public improvements (e.g., county roads, city streets, water, sewer, drainage) and services (e.g., fire, police) and the expected cost of those improvements to the County or any impacted City/ Town in the County

- e. The types and cost of public improvements which will be made by the applicant
 - f. The type of commercial activity (e.g., office, retail, manufacturing, energy, etc.)
 - g. The time necessary to complete the project by the applicant
 - h. The impact of the project on the environment, wildlife, historical and cultural sites, and on existing businesses
 - i. Community perception of the project, including how that perception was determined, who was polled, including the perception of any potential routes from project to energy transmission lines and pipelines
 - j. A table of applicants requested tax abatement percentage for each year of a request incentive or abatement
 - k. The setback of the project from any pre-existing structure if needed
3. The County will give preference to businesses that use local suppliers, labor force, and that require no new public facilities.

Section C. Types of Incentives

1. The County intends to consider tax abatement and other economic development incentives on a case by case basis so that the total package of incentives may be designed specifically for each project.
2. The criteria outlined in Section B, above, will be used to determine whether or not it is in the best interest of the County, its citizens, and taxpayers to provide any tax abatement or other economic development incentives to a particular applicant.

The County will also consider the following:

- The extent to which a proposed project furthers the goals and objectives of the County.
 - The projected impact of the project on the County will determine the types and value of the incentives provided.
3. An abatement may be for any amount that the County determines. The County may

provide for an abatement on a sliding scale. The County may determine there will be no abatement or economic incentive at all.

Section D. Application Procedures

1. Any person, or entity, including an organization, joint venture, partnership, association or corporation, desiring that the County consider providing a tax abatement or other economic development incentives to encourage the location of a business or expand a business operation in the County must comply with the following application procedures.
 - a. The applicant shall file an application with the office of the County Judge in a form provided by the County. The application shall detail the entire scope of the project and the type and value of economic development incentives requested.
 - b. The applicant shall also file a copy of the above-referenced application with any city or ETJ with jurisdiction, if the city or ETJ also has an abatement process.
 - c. The application will immediately be a public document, subject to review by any party requesting such. It will be posted on the county's website at least 30 days before the required public hearing on the application.
2. The following information shall accompany each application:
 - a. The project name
 - b. A list of the names and addresses (include eMail addresses) of all principals of the applicant. The information shall include all owners, beneficial owners, or if a corporate entity, all officers and directors
 - c. City or ETJ with jurisdiction, if the city or ETJ also has an abatement process
 - d. A certification of the applicant's intent to comply with all applicable local, state, and federal laws
 - e. The name and address of any public official that has or may have any interest (financial or otherwise) in the success of the project, or that is in any way employed by any person or entity associated with the applicant

- f. A detailed description of the project business
- g. A description of the project location (including a plat with precise location and legal description.) It must show the detail of all proposed ingress and egress and all county, state and federal roads that might be affected); and the location of any pre-existing structure within one mile of the reinvestment zone or project
- h. A description of the project size, scope and footprint (physical; showing all anticipated or required zoning and land uses on the site); and in the case of renewable energy, the number and size of turbines or solar panels
- i. The expected fair market value (“FMV”) of the project upon completion showing a separate FMV of the land on which the project will be located and the added FMV of the projects facility
- j. The increase in FMV of the reinvestment zone property when the project is completed and operational, showing the FMV both before and after the project is completed
- k. Identify any land outside the reinvestment zone property, affected for additional resources such as water, sewer, drainage, roads, easements, pipelines, and electricity (showing route to a transmission line or pipeline)
- l. The number of full-time permanent employees/jobs to be created by the project when operational
- m. The salary ranges for permanent employees, including employee benefits, stated separately
- n. The initial determination of applicable City, County, State, Federal or other jurisdictional entities (such as TCEQ, FDA, DOD) Codes or Requirements, and any Extraterritorial Jurisdiction (ETJ) impacting the proposed project
- o. Expected additional resources required of the County such as water, sewer, drainage, roads, easements, fire, and security
- p. Any plans for environmental, historical, anthropological, cultural, and aesthetical impact to the reinvestment zone property and the properties of the immediate neighbors of the project, the general area of the project will be an important consideration in approval of abatement agreement

- q. Anticipated time to complete the project showing all phases as scheduled
 - r. Applicant's requested abatement by percentage, by year
 - s. The percentage of local suppliers, contractors, or labor force to be used in the construction of the project
 - t. Determination of how proposed affected land and property is currently taxed (FMV or Ag value)
 - u. All accompanying supporting information, such as photos, plats, maps, and written documents, shall be accurate, legal and correct copies
 - v. The projected dates for the beginning construction and the beginning of actual operations
 - w. Whether or not the project will change the tax status of the reinvestment zone land and whether the applicant will pay ad valorem taxes for the land on which the facility is located
 - x. Whether the facility is expected to require connection to an energy source (electric or gas) including generally the route(s) to connect to any existing energy source (electric transmission line or pipeline)
 - y. Whether or not securing a connection to an energy source will cause acquiring rights-of-way by eminent domain. (*This shall identify all public roads and landowners to be crossed to connect to a transmission line.*)
 - z. Any other information about the proposed project which may be required by the County
3. The application will be signed and sworn to by an officer of the entity, or a principal, with Notary Public attesting.
 4. The applicant shall submit accurate and correct copies of all applications, to any other taxing entity related to the proposed project.
 5. The County Judge will review the application for completeness and accuracy and comments from the appropriate departments. The County Judge will forward compiled application, review comments, and recommendations to the members of

the Commissioners' Court.

6. All requirements of Chapter 312 of the Texas Tax Code, known as the Property Redevelopment and Tax Abatement Act, must be followed.
7. Applying for abatement after the commencement of construction, alteration, or installation of improvements related to the proposed modernization, expansion, or a new facility, may result in the County denying Applications for tax reduction, abatement, or other economic development incentives made.
8. Public hearings will be held to get public input on the proposed project, with at least 30 days posted notice before the required public hearing.

Section E. Approval of Tax Abatement and Other Economic Development Incentives by the Commissioners' Court

1. If the Commissioners' Court determines that it is in the best interest of the County, its citizens, and taxpayers to provide abatements or incentives to a particular applicant, a resolution shall be adopted. The approval of the terms and conditions of tax abatement or other economic development incentive agreement with the applicant will enumerate the types of incentives, and the conditions which apply to them.
2. Any tax abatement and economic incentive agreement must include the following items:
 - a. A description of each type of incentives to be provided and their duration
 - b. A legal description of the property on which the agreement will operate
 - c. Detailed information regarding the type, number, location, and cost of all improvements on the property
 - d. A plan which provides access to and inspection of the property and proposed improvements by the court or its designee
 - This condition is to ensure that the improvements are made according to the specifications and conditions of the agreement
 - e. A provision limiting the uses of the property consistent with the general

purpose of encouraging development or redevelopment of the reinvestment zone property during the period that the property tax abatement or other economic development incentives are in effect

- f. A non-compliance penalty shall require payment of all abated taxes immediately if the abatement agreement is violated or canceled
- g. Require the owner of the reinvestment zone property to certify annually to the governing body of each taxing unit involved that the owner complies with each applicable term of the agreement
 - The Commissioners Court will provide this letter of the certification form
- h. Provide that the governing body of the County may cancel or modify the agreement if the property owner fails to comply with the agreement
- i. Require the property owner to pay timely all assessed ad valorem taxes on the property subject to the agreement, or the County shall cancel the agreement
- j. In applications of renewable energy projects, require the applicant to provide to the county satisfactory evidence of financial assurance in the form of certified funds, cash escrow, a bond, a letter of credit, or parent guarantee, to cover the cost of decommissioning. Decommissioning will include, but not be limited to, removal of infrastructure, restoring, through soil stabilization and revegetation, the first four feet of depth (without the addition of topsoil) of the soil on any land affected by the facility
- k. Encourage the property owner to add employees

Section F. Duration of Guidelines

The guidelines and criteria adopted herein shall be complied with from the date they are adopted by the Commissioners’ Court and shall remain in effect for two years unless otherwise repealed or modified by a three-fourths (¾) vote of the Commissioners’ Court.

The Resolution was adopted on August 31, 2020.

**CLAY COUNTY, TEXAS
APPLICATION FOR TAX ABATEMENT
AND OTHER ECONOMIC DEVELOPMENT INCENTIVES**

INTRODUCTION

The Black Pearl Solar Project ("Project") is a utility-scale solar photovoltaic electric generating facility being developed by Black Pearl Solar LLC, the applicant. The Project will add up to \$250 million in new property and up to approximately 300 MW of electric generating capacity to Clay County.

The Project will add significant new investment in Clay County, while utilizing no County services. The Project:

- Will not produce any type of emissions,
- Will not discharge into the sanitary sewer system, and
- Will not require any local government facilities or services directly resulting from the new improvements.

APPLICATION INFORMATION

- a) Name, address, principals and owners of applicant:

Black Pearl Solar LLC
5960 W. Parker Road
Suite 278-442
Plano, Texas 75093

Metersky Energy LLC
5960 W. Parker Road
Suite 278-442
Plano, Texas 75093
Ross@MeterskyEnergy.com

Metersky Energy LLC is the sole member of Black Pearl Solar LLC.

- b) Does any city or ETJ have jurisdiction and an abatement process: No city or ETJ has jurisdiction over the Project's location.
- c) Certification: By signing below, the applicant certifies its intent to comply with all applicable local, state, and federal laws.
- d) Conflict of interest: No public official (i) has or may have any interest (financial or otherwise) in the success of the Project or (ii) is in any way employed by any person or entity associated with the applicant.

- e) Description of project business: Black Pearl Solar LLC plans to develop, build, own, and operate a utility-scale solar photovoltaic electric generating facility.
- f) A description of the project location (including a plat with precise location and legal description). It must show the detail of all proposed ingress and egress and all county, state and federal roads that might be affected, and the location of any pre-existing structure within one mile of the reinvestment zone or project: The center of the Project will be located approximately 2.6 miles southwest of Petrolia. Additional information is provided in Exhibit 1.
- g) Description of project size, scope and footprint (physical showing all anticipated or required zoning and land uses on the site): The applicant plans to develop a 150- to 300-megawatt solar photovoltaic electric generating facility. This includes, but is not limited to the following improvements:
- Photovoltaic modules
 - DC-to-AC inverter stations (inverters, medium-voltage transformers, associated electrical cabling and controls)
 - Tracker racking system (mounting structures)
 - Medium- and high-voltage electric cabling
 - Project substation (transformer, switchgear, transmission equipment, telecommunications, SCADA equipment)
 - High-voltage transmission line connecting the Project to Oncor’s transmission system
 - Operations and maintenance trailer
 - Balance of plant and associated equipment (including DC cabling, communication and control cabling, conduit, combiner boxes and/or disconnect switches) to safely operate and maintain the facility and deliver electricity to the grid
- h) The expected fair market value (“FMV”) of the project upon completion showing a separate FMV of the land on which the project will be located and the added FMV of the facility: See response to (i).
- i) The increase in FMV of the reinvestment zone property when the project is completed and operational, showing the FMV both before and after the project is completed:

	Before Project	Upon Project Completion	Increase
Land	\$3,620,000	\$3,620,000	\$0
Project’s Improvements*	0	250,000,000	250,000,000
Total	\$3,620,000	\$253,620,000	\$250,000,000

*Estimate of the maximum potential improvements for the Project.

- j) Identify any land outside the reinvestment zone property, affected for additional resources such as water, sewer, drainage, roads, easements, pipelines, and electricity (showing route

to a transmission line or pipeline): The Project and any related components will be entirely located within the reinvestment zone property.

- k) The number of full-time permanent employees/jobs to be created by the project when operational: The Project will require two to three full-time employees. During construction, temporary jobs will peak at up to approximately 300.
- l) The salary ranges for permanent employees, including employee benefits, stated separately: Minimum annual wages for permanent employees is \$42,395 based on the 2019 Manufacturing Average Wages by Council of Government Region Wages for All Occupations published by the Texas Workforce Commission Labor Market and Career Information Department in August 2020.
- m) The initial determination of applicable City, County, State, Federal or other jurisdictional entities (such as TCEQ, FDA, DOD) Codes or Requirements, and any Extraterritorial Jurisdiction (ETJ) impacting the proposed project: The Project received Determination of No Hazard to Air Navigation from the Federal Aviation Administration on August 3, 2020 indicating that the Project would not exceed obstruction standards and would not be a hazard to air navigation.
- n) Expected additional resources required of the County such as water, sewer, drainage, roads, easements, fire, and security: None
- o) Any plans for environmental, historical, anthropological, cultural, and aesthetical impact to the reinvestment zone property and the properties of the immediate neighbors of the project, the general area of the project will be an important consideration in approval of abatement agreement: The Project will be designed to eliminate or minimize impacts to the reinvestment zone property, properties of the immediate neighbors, and the general area of the Project while complying with all applicable permitting and legal requirements.
- p) Anticipated time to complete the project showing all phases as scheduled: The Project will require from three to four years to develop and construct.
- q) Applicant's requested abatement by percentage, by year: The applicant requests a 100% abatement for ten years.
- r) The percentage of local suppliers, contractors, or labor force to be used in the construction of the project: Local companies are encouraged to bid on the Project. The applicant prefers to hire as many employees as possible from Clay County. Through local hiring activities, including local job fairs, the applicant will communicate available positions to the community. Current estimates for construction assume 15-25% of employees from Clay County and 10-15% from outside the State of Texas. Final numbers will be based on available employees in Clay County and the region.

Construction craft required include general laborers, carpenters, operators and electricians. Work activities include grading, fencing, erosion control management, surveying, pile

driving, racking installation, module setting, and AC/DC electrical work. Professional management services will be required both on and offsite.

Labor activities for solar require minimal skill development except for the electrical work. Training would include piling, racking and photovoltaic module installation. Other activities are general construction activities and general operations monitoring activities.

- s) Determination of how proposed affected land and property is currently taxed (FMV or Ag value): Land is currently taxed at Ag value.
- t) The projected dates for the beginning construction and the beginning of actual operations: The Project is currently projected to start construction in late 2022 and begin operations in early 2024.
- u) Whether or not the project will change the tax status of the reinvestment zone land and whether the applicant will pay ad valorem taxes for the land on which the facility is located: As a result of the Project, the land will be taxed at FMV instead of Ag value. The Project intends to pay ad valorem taxes for the land on which the Project is located.
- v) Whether the facility is expected to require connection to an energy source (electric or gas) including generally the route(s) to connect to any existing energy source (electric transmission line or pipeline): The Project will connect to the Oncor 345-kV transmission line located onsite.
- w) Whether or not securing a connection to an energy source will cause acquiring rights-of-way by eminent domain. (*This shall identify all public roads and landowners to be crossed to connect to a transmission line.*): The Project will not require any party to use eminent domain.

**RESOLUTION AND ORDER DECLARING
ELIGIBILITY TO PARTICIPATE IN TAX ABATEMENT
AND
CREATING CLAY COUNTY
REINVESTMENT ZONE No. 1-Black Pearl**

WHEREAS, on the December 14, 2020, came on for consideration the Designation of a Reinvestment Zone pursuant to Chapter 312 of the Texas Tax Code, and

WHEREAS, attached to this Order are the following descriptive documents:

A description of the project and property to be contained within the Clay County Reinvestment Zone No. 1-Black Pearl, said description being included within an Application for Tax Abatement by Black Pearl Solar, LLC, said application being incorporated herein by reference.

The Application, including maps and property descriptions contained within the Application attached to this Order are intended to more fully and accurately describe the geographic region included within the Reinvestment Zone to be known as Clay County Reinvestment Zone No. 1-Black Pearl.

WHEREAS, prior to the creation of the Clay County Reinvestment Zone No. 1-Black Pearl, the Commissioners court made a determination that the application filed by Black Pearl Solar, LLC meets the applicable guidelines and criteria adopted by the Commissioners Court, and that a tax abatement agreement between the County and Black Pearl Solar, LLC, would be in compliance with the established guidelines and criteria for tax abatement, and

WHEREAS, pursuant to Chapter 312, Texas Tax Code, the Commissioners Court of Clay County, Texas has determined that it is eligible to participate in tax abatement, and it is hereby **RESOLVED** that Clay County may participate in tax abatement, and Ordered that the application on file with the Court is in conformity with the applicable requirements of law, and

WHEREAS, the Commissioners Court did conduct a public hearing prior to the consideration of this Order, after due notice, as required by Chapter 312 of the Texas Tax Code. After receiving public comment, the Commissioners Court hereby determines that the designation of an area as a reinvestment zone would contribute to the retention or expansion of primary employment in Clay County, Texas, and would contribute to the economic development of the County,

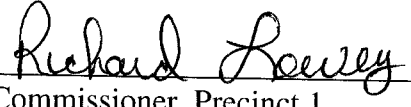

THEREFORE, PREMISES CONSIDERED, the Commissioners Court of Clay County, Texas does hereby create the Clay County Reinvestment Zone No. 1-Black Pearl, as described more fully in the attachments to this Order, which are incorporated herein by reference and are to be filed in the minutes of the Commissioners Court with this Order.

It is further ORDERED by the Commissioners Court that the County Judge is hereby authorized to execute, on behalf of Clay County, Texas, such documents as may be necessary to facilitate and implement this Order.

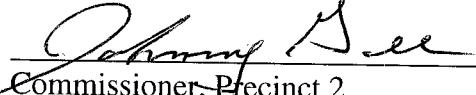

Dated: Adopted on December 14, 2020.

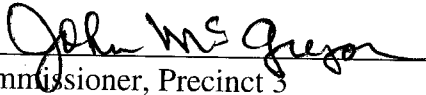

County Judge, Clay County, Texas

Commissioner, Precinct 1

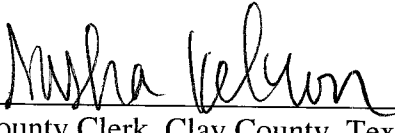

Commissioner, Precinct 2

Commissioner, Precinct 3

Commissioner, Precinct 4
