

This is an Agreement Between Clay County and Mr. Neil Hoff

About the month of October of 2020, during some intense rain, the material on Hoff road washed into the cattle guard that adjoins Hoff road. The problem that caused the run off into the cattle guard has been rectified by Clay County precinct three personal.

The problem remains that the cattle guard is privately owned by Mr. Hoff and the county is not allowed to clean out said cattle guard since it is privately owned on private property.

We propose that Mr. Hoff retain an independent contractor to clean out said cattle guard and that the Clay County precinct three commissioner will pay for half of the cost of the contractor from the precinct budget.

Mr. Neil Hoff

Clay County Commissioner
