

Date:3/18/2021

I would like for the court to consider a purchase from Mobile Phone of Texas inc. for a dispatch console for the use in dispatching the EMS from 911 calls. The costs of the equipment is \$94109.00. We have determined that CARES act monies can be used for this purchase. Thank you for your consideration.

Jeff Huskey

Catalog / Price Sheet Name:	Radio Communication/Emergency Response & Mobile Interoperability Equipment
General Description of Product:	The Avtec Scout™ dispatching system is a pure Internet Protocol (IP) communication tool based on open standards. Scout handles all voice communication – both radio and telephony – and seamlessly integrates these technologies. Additionally, Scout's IT-friendly features provide unified views of system diagnostics, alarms, and reports. Avtec provides a full range of turnkey services for the deployment of the Scout™ dispatching system, including design, installation, migration, testing, customer support, training, warranty, and extended maintenance.

A. Catalog / Price Sheet Items being purchased - Itemize Below - Attach Additional Sheet If Necessary
