Clay County Commissioners

County Commissioners,

Clay County Memorial Hospital respectfully requests the credit card limit be raised from current limit of \$12,000 to \$20,000.

This will help to accommodate small items that cannot be purchased on credit and utility bills with short turnaround dates.

The Hospital Board approved the request at their meeting on Monday January 25, 2021.

Sincerely,

  
Jeff Huskey  
CEO
