Dear Judge Campbell and Members of the Commissioners Court:

Thank you so much for the \$4,000.00 you gave our Lake Arrowhead Fire Department. We exist on a very conservative budget and of course, we always have a wish list that we try to save for each month. This money will help Chief Mike Hall and the fire fighters to be able to get some of the items on that list! It is very much appreciated by them and by me. Especially for me when I was sitting in Court and heard the discussion and the vote. It was a proud moment.

Thank you again.
