Scope of Services

The following apply for all services:

Assistance Our timely completion of services depends on the assistance you provide us in accumulating information and responding to our inquiries. Inaccuracies or delays in providing this information or the responses may result in untimely filings or inability to meet other deadlines.

Responsibility for Outcomes We may perform additional services for you that are not covered by this contract. You agree to assume full responsibility for the substantive outcomes of the contracted services and for any other services we may provide, including any findings that may result.

You also acknowledge these services are adequate for your purposes, and you will establish and monitor the performance of these services to ensure they meet management's objectives. All decisions involving management responsibilities related to these services will be made by you, and you accept full responsibility for such decisions.

We understand you have designated (or will) a management-level individual to be responsible and accountable for overseeing the performance of these services, and you have determined (or will) this individual is qualified to conduct such oversight.

Boycott Israel As required by Chapter 2270, Texas Government Code, we represent that we do not boycott Israel and will not boycott Israel through the term of this engagement. For purposes of this representation, "boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

Additional Costs Related to COVID-19 Our fees do not consider additional efforts driven by the SARS-CoV-2 virus and the related COVID-19 (COVID-19) environment. Complexities and uncertainties related to various provisions of new laws and the continued issuance of interpretative and procedural guidance from federal agencies may affect our services. Fees related to COVID-19 activities will be billed based on time expended. Additional efforts or services may include:

- Accounting and auditing issues such as collectability of receivables, inventory valuation and additional major programs subject to Single Audit, etc.
- Reimbursement reporting requirements

Audit Services

We will audit the following financial statements and related notes to the financial statements for the following entities with the objective of expressing an opinion on the financial statements; issuing a report on your compliance based on the audit of your financial statements; issuing a report on your internal control over financial reporting based on the audit of your financial statements; expressing an opinion on your compliance, in all material respects, with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that are applicable to each of your major federal award programs; issuing a report on your internal control over compliance based on the audit of your compliance with the types of compliance requirements that are applicable to each of your major federal award programs; and issuing a report on your schedule of expenditures of federal awards:

Clay County Memorial Hospital and its component unit Clay County Memorial Hospital Foundation as of and for the year ended September 30, 2021

- Balance sheet and related statements of revenues, expenses and changes in net position and cash flows

We will also express an opinion on whether supplementary information, including the schedule of expenditure of federal awards (“supplementary information”) is fairly stated, in all material respects, in relation to the financial statements as a whole.

We will also provide you with the following nonattest services:

- We will complete the auditee portion of the Form SF-SAC (Data Collection Form) through the Federal Audit Clearinghouse. We will not make the submission on your behalf. You will review a draft(s) of the submission prior to transmission and agree that you are solely responsible for approving the final draft for transmission as well as for the auditee submission and certification
- Preparing depreciation schedules based on your assignment of depreciable lives and methods
- Preparing a draft of the financial statements and related notes
- Preparing a draft of the supplementary information, including the schedule of expenditures of federal awards

Christa S. Worley, Managing Director, is responsible for supervising the engagement and authorizing the signing of the report or reports.

We will issue a written report(s) upon completion of our audit(s), addressed to the following parties:

Entity Name	Party Name
Clay County Memorial Hospital	Board of Managers

You are responsible to distribute our reports to other officials who have legal oversight authority or those responsible for acting on audit findings and recommendations, and to others authorized to receive such reports.

The following apply for the audit services described above:

Our Responsibilities	We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the standards applicable to financial audits contained in <i>Government Auditing Standards</i> issued by the
-----------------------------	---

Comptroller General of the United States. Those standards require that we plan and perform:

- The audit of the financial statements to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether caused by fraud or error, and
- The audit of compliance with the types of compliance requirements described in the *OMB Compliance Supplement* applicable to each major federal award program to obtain reasonable rather than absolute assurance about whether noncompliance having a direct and material effect on a major federal award program occurred.

We will exercise professional skepticism throughout the audit.

We will identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

We will obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We will also conclude, based on audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

**Limitations &
Fraud**

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Our understanding of internal control is not for the purpose of expressing an opinion on the effectiveness of your internal control. However, we will communicate to you in writing any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we identify during the audit. Also, in the future, procedures could become

inadequate because of changes in conditions or deterioration in design or operation. Two or more people may also circumvent controls, or management may override the system.

We are available to perform additional procedures with regard to fraud detection and prevention at your request, subject to completion of our normal engagement acceptance procedures. The actual terms and fees of such an engagement would be documented in a separate contract to be signed by you and **BKD, LLP**.

Opinion

Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add an emphasis-of-matter paragraph or other-matter paragraph to our auditor's report, or if necessary, withdraw from the engagement.

If we discover conditions that may prohibit us from issuing a standard report, we will notify you. In such circumstances, further arrangements may be necessary to continue our engagement.

Social Security Act

If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, we agree to make available to the Secretary of Health and Human Services, or to the Comptroller General, or any of their duly authorized representatives such of our billing records as are necessary to certify the nature and extent of our services, until the expiration of four (4) years after the furnishing of these services.

Your Responsibilities

Management and, if applicable, those charged with governance acknowledge and understand their responsibility for the following:

- For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (or other basis if indicated in the contract)
- For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error
- For identifying and ensuring compliance with the laws, regulations, contracts, and grants applicable to your activities (including your federal award programs)
- To provide us with:
 - Access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including access to information relevant to disclosures
 - Additional information that we may request for the purpose of the audit
 - Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence

The results of our tests of compliance and internal control over financial reporting performed in connection with our audit of the financial statements may not fully meet the reasonable needs of report users. Management is responsible for obtaining audits, examinations, agreed-upon procedures, or other engagements that satisfy relevant legal, regulatory, or contractual requirements or fully meet other reasonable user needs.

**Written
Confirmations
Required**

As part of our audit process, we will request from management and, if applicable, those charged with governance written confirmation acknowledging certain responsibilities outlined in this contract and confirming:

- The availability of this information
- Certain representations made during the audits for all periods presented
- The effects of any uncorrected misstatements, if any, resulting from errors or fraud aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

**Peer Review
Report**

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our most recent peer review report accompanies this contract.

**Supplementary
Information**

With regard to any supplementary information that we are engaged to report on:

- Management is responsible for its preparation in accordance with applicable criteria
- Management will provide certain written representations regarding the supplementary information at the conclusion of our engagement
- Management will include our report on this supplementary information in any document that contains this supplementary information and indicates we have reported on the supplementary information
- Management will make the supplementary information readily available to intended users if it is not presented with the audited financial statements.

**Implementation of
New Standards**

Unless indicated in our contract, our services and related fees do not include substantive assistance beyond routine advice related to the adoption of new accounting and reporting standards. Should you require assistance, we will bill you at our standard hourly rates.

**Assistance with
Application of
Standards**

Transactions or changes in business may require you to apply existing standards differently each year, such as when business operations create new revenue streams, operations are discontinued, liquidity or operational challenges are encountered, business combinations are executed, etc. We welcome your questions throughout the year and are happy to provide general guidance and routine support; however, our engagement does not include substantive effort to assist you with applying standards to these circumstances, unless otherwise indicated in the contract.

Cost Report Services – Preparation

We will prepare the following cost report:

Clay County Memorial Hospital for the year ended September 30, 2021

- Medicare cost report

Our engagement will include submission of the Medicare cost report to Novitas Solutions, Inc. on your behalf. We have your authorization to access and submit your Medicare cost report electronically using the Medicare Cost Report e-Filing (MCR eF) portal. We will not make submissions to any other third parties on your behalf unless we are separately engaged to do so.

You acknowledge that submission of the cost report and any related materials to Novitas Solutions, Inc. is your responsibility. You will review the information we submit and will be solely responsible for its accuracy and completeness. You will be responsible for signing the Worksheet S certification page of the Medicare cost report. If you identify any errors or discrepancies in the submissions, it is your responsibility to notify us to discuss resolution options.

You agree to assist in establishing **BKD, LLP** as an authorized user to permit access to the cost reporting online portal. You agree to accept all responsibility for electronic submission of the cost report and supporting documentation. You agree to hold **BKD, LLP** harmless as a result of providing, maintaining, and accessing the MCR eF portal on your behalf.

The following apply for the cost report services described above:

Preparation - Limited Purpose

While cost report preparation involves assembly of information in a financial statement format, that information is solely for cost report purposes and should not be used for any other purpose.

Management is responsible for the representations contained in the cost report(s). We will use information from your accounting system and will rely on information furnished by your employees and representatives. We will not investigate or verify the accuracy or completeness of such information.

Fraud, Abuse, Errors & Omissions

These services are not designed to detect and cannot be relied upon to detect fraud, abusive acts, errors, and omissions, including but not limited to:

- Nonallowable costs that you have not identified or that are misclassified or combined in another account
- Insufficient underlying documentation to support the information you have provided to us
- Billing errors, including coding errors, billing for noncovered services, and improper bundling or unbundling of charges
- Insufficient medical records documentation of physician orders, medical necessity of services, or performance of services
- Inappropriate physician arrangements, including payments for referrals or contracts that do not comply with the laws commonly known as the “Stark” or “anti-kickback” laws

- Failure to comply with the Medicare and Medicaid conditions of participation
- Failure to comply with the Internal Revenue Code and related regulations
- Related party costs that you have not disclosed to us

**Compliance with
Laws &
Regulations**

This engagement is not intended to evaluate the effectiveness of your controls over compliance with Medicare, Medicaid, or other laws or regulations, or the degree of compliance with those laws or regulations. You agree to advise us of any adverse communications from regulators or third parties, including legal counsel, which may affect compliance with laws and regulations.

**Rules &
Regulations**

Cost reports are subject to review by administrative contractors and others with oversight responsibility. Professional judgment is used in resolving questions where the cost report and reimbursement rules and regulations are unclear. You understand reviewers may choose to interpret rules and regulations in a manner different than that reflected in the cost report(s), and reviewers may propose adjustments to your cost report(s) which could have an adverse effect on your cost report settlements.

**Providing
Information to
Regulators**

Regulators, such as Medicare Administrative Contractors, State Medicaid Agencies, and contracted cost report auditors, make routine requests in connection with their activities such as cost report acceptance, desk reviews, settlements, and interim payment calculations. To facilitate timely responses to these routine requests, by approval of this contract, you have requested that we provide information directly to the regulators. We will notify you of routine requests received directly by us from regulators. Responses to such requests will be billed separately.

Except for the responses to routine requests by regulators discussed above, our engagement will not include the submission of documentation to any third parties unless we are separately engaged to do so.

**Cost Report
Correspondence**

You agree to timely notify us and, as applicable, provide copies of any correspondence received by you from regulators regarding the cost report.

New Auditing and Accounting Standards

Leases

Governmental Accounting Standards Board Statement No. 87, *Leases*, is effective for fiscal years beginning after June 15, 2021. Early application is encouraged.

Statement No. 87 establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. We can assist you with the adoption by providing services which may include, but are not limited to:

- Assessing your readiness by assisting with the evaluation of your:
 - Current controls and policies
 - Current internal resources and system capabilities
- Assisting with changes required to adopt Statement No. 87, including:
 - Assisting with information gathering to develop an inventory of all lease agreements, service contracts, and other arrangements that may contain right-to-use lease assets
 - Recommending enhancements to existing controls and policies or suggesting new controls and policies to address Statement No. 87
 - Documenting any changes from your previous lease recognition and reporting methods
 - Drafting the required disclosures

The time it will take to perform the above assistance and our additional audit procedures relating to the adoption of the Statement, and any time to assist you with the adoption, may be minimized to the extent your personnel will be available to provide timely and accurate documentation and information as requested by us.

HIPAA Business Associate Agreement

We agree not to use or disclose Protected Health Information (“PHI”) obtained or produced in any form of media during the course of our work in a manner prohibited by the *Health Insurance Portability and Accountability Act of 1996* (“HIPAA”), as amended. We may use or disclose PHI for purposes of (a) performing our engagement, (b) management and administration of BKD, or (c) carrying out legal responsibilities of BKD. We will not further disclose information except as permitted or required by this contract or as required by law. When using or disclosing PHI in relation to this engagement, we will limit disclosures as required by HIPAA. We will not use PHI in any marketing activities in a manner that would violate HIPAA. We represent to you that we have implemented what we consider to be appropriate administrative, physical, and technical safeguards to protect the confidentiality, integrity, and availability of PHI as required for us as a business associate to comply with HIPAA.

With respect to your PHI, we will report to you any breach (as defined in 45 CFR 164.402), material security incident, or use or disclosure not authorized by this agreement and, to the extent practical, assist you in mitigating any harmful effects caused by breaches, material security incidents, or unauthorized uses or disclosures of which we become aware. To assist you in fulfilling your responsibility to notify impacted individuals and others of a breach involving unsecured PHI (as required under 45 CFR 164.400 et seq.), in this report we will identify to you, to the extent reasonably possible:

1. Each individual whose unsecured PHI was subject to the breach.
2. Any other available information you are required to include in your notification to such individual(s) or others under 45 CFR 164.404(c).

We agree that any material violation of these confidentiality provisions by us entitles you to terminate this engagement. Similarly, if we become aware of a violation of HIPAA by you that cannot be or is not timely cured, we may be obligated to terminate this engagement.

BKD agrees to:

1. Upon their request, make available to the Secretary of Health and Human Services (HHS) our internal practices and books and records relating to the use and disclosure of PHI for purposes of determining your compliance with the Security and Privacy Rule, subject to any applicable legal privileges.
2. Make available information necessary for you to make an accounting of disclosures of PHI about an individual.
3. To the extent we maintain information that is part of a Designated Record Set, make available information necessary for you to respond to requests by individuals for access to PHI that is not in your possession but is considered part of a Designated Record Set.
4. Upon receipt of a written request from you, incorporate any amendments or corrections to PHI contained in our workpapers in accordance with the Security and Privacy Rule to the extent such PHI is considered part of a Designated Record Set.

For purposes of this agreement, the term "Security and Privacy Rule" refers to the final rules published to implement the Administrative Simplification provisions of the *Health Insurance Portability and Accountability Act of 1996*, specifically 45 CFR Parts 160 and 164. The terms "Protected Health Information" and "Designated Record Set" have the same meaning as defined in the Security and Privacy Rule.

At the conclusion or termination of this engagement, any PHI retained by us will be subject to the same safeguards as for active engagements.

We will obtain from any agents, including subcontractors, to whom we provide PHI received from you, or created or received by us on behalf of you, an agreement to the same restrictions and conditions that apply to us with respect to such PHI.

To the extent that any relevant provision of HIPAA is eliminated or held to be invalid by a court of competent jurisdiction, the corresponding portion of this agreement shall be deemed of no force and effect for any purpose. To the extent that any relevant provision of HIPAA is materially amended in a manner that changes the obligations of business associates or covered entities that are embodied in term(s) of this engagement, the Parties agree to negotiate in good faith appropriate amendment(s) to this engagement to give effect to such revised obligations. In addition, the terms of this engagement should be construed in light of any interpretation and/or guidance on HIPAA issued by HHS from time to time.

BKD, LLP Terms and Conditions Addendum

GENERAL

1. **Overview.** This addendum describes BKD, LLP's standard terms and conditions ("Terms and Conditions") applicable to Our provision of services to the Client ("You"). The Terms and Conditions are a part of the contract between You and BKD, LLP. For the purposes of the Terms and Conditions, any reference to "Firm," "We," "Us," or "Our" is a reference to BKD, LLP ("BKD"), and any reference to "You" or "Your" is a reference to the party or parties that have engaged Us to provide services.

BILLING, PAYMENT, & TERMINATION

2. **Billing and Payment Terms.** We will bill You for Our professional fees and costs as outlined in Our contract. Interest will be charged on any unpaid balance after 30 days at the rate of 10 percent per annum, or as allowed by law at the earliest date thereafter, and highest applicable rate if less than 10 percent.

We reserve the right to suspend or terminate Our work for this engagement or any other engagement for nonpayment of fees. If Our work is suspended or terminated, You agree that We will not be responsible for Your failure to meet governmental and other deadlines, for any penalties or interest that may be assessed against You resulting from Your failure to meet such deadlines, and for any other damages (including but not limited to consequential, indirect, lost profits, or punitive damages) incurred as a result of the suspension or termination of Our services.

Our fees may increase if Our duties or responsibilities are increased by rulemaking of any regulatory body or any additional new accounting or auditing standards. Our engagement fees do not include any time for post-engagement consultation with Your personnel or third parties, consent letters and related procedures for the use of Our reports in offering documents, inquiries from regulators, or testimony or deposition regarding any subpoena. Charges for such services will be billed separately.

3. **Billing Records.** If these services are determined to be within the scope and authority of Section 1861(v)(1)(I) of the Social Security Act, We agree to make available to the Secretary of Health and Human Services, or to the U.S. Comptroller General, or any of their duly authorized representatives, such of Our books, documents, and records that are necessary to certify the nature and extent of Our services, until the expiration of four (4) years after the furnishing of these services. This contract allows access to contracts of a similar nature between subcontractors and related organizations of the subcontractor, and to their books, documents, and records.
4. **Termination.** Either party may terminate these services in good faith at any time for any reason, including Your failure to comply with the terms of Our contract or as We determine professional standards require. Both parties must agree, in writing, to any future modifications or extensions. If services are terminated, You agree to pay BKD for time expended to date. In addition, You will be billed costs and fees for services from other professionals, if any, as well as an administrative fee of four (4) percent to cover items such as copies, postage and other delivery charges, supplies, technology-related costs such as software licensing, user access, and research tools, and similar expense items.

DISPUTES & DISCLAIMERS

5. **Mediation.** Any dispute arising out of or related to this engagement will, prior to resorting to litigation, be submitted for nonbinding mediation upon written request by either party. Both parties agree to try in good faith to settle the dispute in mediation. Unless the parties agree otherwise, the American Arbitration Association ("AAA") will administer any such mediation in accordance with its Commercial Mediation Rules. The mediator will be selected by agreement of the parties. If We cannot agree, a mediator shall be designated by the AAA. The mediation proceeding shall be confidential. Each party will bear its own costs in the mediation, but the fees and expenses of the mediator will be shared equally.
6. **Indemnification.** Unless disallowed by law or applicable professional standards, You agree to hold BKD harmless from any and all claims which arise from knowing misrepresentations to BKD, or the intentional withholding or concealment of information from BKD by Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. You also agree to indemnify BKD for any claims made against BKD by third parties, which arise from any wrongful actions of Your management or any partner, principal, shareholder, officer, director, member, employee, agent, or assign of Yours. The provisions of this paragraph shall apply regardless of the nature of the claim.
7. **Statute of Limitations.** You agree that any claim or legal action arising out of or related to this contract and the services provided hereunder shall be commenced no more than one (1) year from the date of delivery of the work product to You or the termination of the services described herein (whichever is earlier), regardless of any statute of limitations prescribing a longer period of time for commencing such a claim under law. This time limitation shall apply regardless of whether BKD performs other or subsequent services for You. A claim is understood to be a demand for money or services, demand for mediation, or the service of suit based on a breach of this contract or the acts or omissions of BKD in performing the services provided herein. This provision shall not apply if enforcement is disallowed by applicable law or professional standards.
8. **Limitation of Liability.** You agree that BKD's liability, if any, arising out of or related to this contract and the services provided hereunder, shall be limited to the amount of the fees paid by You for services rendered under this contract. This limitation shall not apply to the extent it is finally, judicially determined that the liability resulted from the intentional or willful misconduct of BKD or if enforcement of this provision is disallowed by applicable law or professional standards.
9. **Waiver of Certain Damages.** In no event shall BKD be liable to You or a third party for any indirect, special, consequential, punitive, or exemplary damages, including but not limited to lost profits, loss of revenue, interruption, loss of use, damage to goodwill or reputation, regardless of whether You were advised of the possibility of such damages, regardless of whether such damages were reasonably foreseeable, and regardless of whether such damages arise under a theory of contract, tort, strict liability, or otherwise.
10. **Severability.** If any portion of this contract is deemed invalid or unenforceable, said finding shall not operate to invalidate the remainder of the terms set forth in this contract.

11. **Assignment.** You acknowledge and agree that the terms and conditions of this contract shall be binding upon and inure to the parties' successors and assigns, subject to applicable laws and regulations.
12. **Disclaimer of Legal or Investment Advice.** Our services do not constitute legal or investment advice.

RECORDS, WORKPAPERS, DELIVERABLES, & PROPRIETARY INFORMATION

13. **Maintenance of Records.** You agree to assume full responsibility for maintaining Your original data and records and that BKD has no responsibility to maintain this information. You agree You will not rely on BKD to provide hosting, electronic security, or backup services, e.g., business continuity or disaster recovery services, to You unless separately engaged to do so. You understand that Your access to data, records, and information from BKD's servers, i.e., BKDconnect, can be terminated at any time and You will not rely on using this to host Your data and records.
14. **BKD Workpapers.** Our workpapers and documentation retained in any form of media for this engagement are the property of BKD. We can be compelled to provide information under legal process. In addition, We may be requested by regulatory or enforcement bodies (including any State Board) to make certain workpapers available to them pursuant to authority granted by law or regulation. Unless We are prohibited from doing so by law or regulation, BKD will inform You of any such legal process or request. You agree We have no legal responsibility to You in the event We determine We are obligated to provide such documents or information. In addition, You agree to compensate or reimburse BKD for all costs and expenses, including reasonable attorney's fees, associated with BKD's compliance with requests or demands for its workpapers or other information related to this engagement, and for any testimony required by summons or subpoena.
15. **Use of Deliverables and Drafts.** You agree You will not modify any deliverables or drafts prepared by Us for internal use or for distribution to third parties. You also understand that We may on occasion send You documents marked as draft and understand that those are for Your review purpose only, should not be distributed in any way, and should be destroyed as soon as possible.

Our report on any financial statements must be associated only with the financial statements that were the subject of Our engagement. You may make copies of Our report, but only if the entire financial statements (exactly as attached to Our report, including related footnotes and supplementary information, as appropriate) are reproduced and distributed with Our report. You agree not to reproduce or associate Our report with any other financial statements, or portions thereof, that are not the subject of Our engagement.

16. **Proprietary Information.** You acknowledge that proprietary information, documents, materials, management techniques, and other intellectual property are a material source of the services We perform and were developed prior to Our association with You. Any new forms, software, documents, or intellectual property We develop during this engagement for Your use shall belong to Us, and You shall have the limited right to use them solely within Your business. All reports, templates, manuals, forms, checklists, questionnaires, letters, agreements, and other documents which We make available to You are confidential and proprietary to Us. Neither You, nor any of Your agents, will copy, electronically store, reproduce, or make any such documents available to anyone other than Your personnel. This

provision will apply to all materials whether in digital, "hard copy" format, or other medium.

REGULATORY

17. **U.S. Securities and Exchange Commission ("SEC") and other Regulatory Bodies.** Where We are providing services either for (a) an entity that is registered with the SEC, (b) an affiliate of such registrant, or (c) an entity or affiliate that is subject to rules, regulations, or standards beyond those of the American Institute of Certified Public Accountants ("AICPA"), any term of this contract that would be prohibited by or impair Our independence under applicable law or regulation shall not apply to the extent necessary only to avoid such prohibition or impairment.
18. **Offering Document.** You may wish to include Our report(s) on financial statements in an exempt offering document. You agree that any report, including any auditor's report, or reference to Our firm, will not be included in any such offering document without notifying us. Any agreement to perform work in connection with an exempt offering document, including providing agreement for the use of the auditor's report in the exempt offering document, will be a separate engagement.

Any exempt offering document issued by You with which We are not involved will clearly indicate that We are not involved by including a disclosure such as, "BKD, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. BKD, LLP also has not performed any procedures relating to this offering document."

19. **BKD Not a Municipal Advisor.** BKD is not acting as Your municipal advisor under Section 15B of the *Securities Exchange Act of 1934*, as amended. As such, BKD is not recommending any action to You and does not owe You a fiduciary duty with respect to any information or communications regarding municipal financial products or the issuance of municipal securities. You should discuss such matters with internal or external advisors and experts You deem appropriate before acting on any such information or material provided by BKD.
