Designed to keep up with you

Enjoy the performance and features of a Chromebook that keeps you up to speed with the help of an Intel® processor, a vibrant display and ample storage.

Designed to move

The small, lightweight design and long battery life^[1] give you attractive power and superb all-day portability, perfect to take along and show off wherever you go.

Apps for everything

Redefine how you work and play with the seamless integration of your favorite Chrome browser, always secure and up to date, and access to a huge selection of apps in the Google Play Store.

FEEDBACK

Chrome

This easy-to-use operating system was designed to be fast in every possible way, while keeping you safe and more secure on the web.

Dual-core Intel® Celeron® processor

The perfect combination of performance, power consumption, and value helps your device run smoothly and reliably with two processing cores to handle all your tasks.

Intel® HD graphics

Impressive graphics help with everything you do. Whether it's watching a video or just surfing the web, Intel® HD Graphics render all the visuals on your screen with smooth, vivid quality.

High-definition display

See your digital world in a whole new way. Enjoy movies and photos with the great image quality and high-definition detail of 1 million pixels.

Anti-glare panel

Enjoy the sun and your favorite content with this anti-glare panel. Non-reflective and low gloss means you'll get less glare while you're outside.

Warranty & Support

Amazon.com Return Policy: You may return any new computer purchased from Amazon.com that is "dead on arrival," arrives in damaged condition, or is still in unopened boxes, for a full refund within 30 days of purchase. Amazon.com reserves the right to test "dead on arrival" returns and impose a customer fee equal to 15 percent of the product sales price if the customer misrepresents the condition of the product. Any returned computer that is damaged through customer misuse, is missing parts, or is in unsellable condition due to customer tampering will result in the customer being charged a higher restocking fee based on the condition of the product. Amazon.com will not accept returns of any desktop or notebook computer more than 30 days after you receive the shipment. New, used, and refurbished products purchased from Marketplace vendors are subject to the returns policy of the individual vendor.

No Ethernet ports

Reviewed in the United States on November 29, 2021

Style: 16GB RAM | 256GB SSD **Verified Purchase**

We ordered 6 of these items and none of them have ethernet ports. Now we have to order Ethernet adapters. Not happy with it.
