About this item

- **POWERFUL PROCESSOR** - Configured with top of the line Intel i5 Quad Core Gen 4 series processor for lightning fast, reliable and consistent performance to ensure an exceptional PC experience.
- **SUPERIOR STORAGE AND MEMORY** - Customized with 1 TB hard drive storage space to store apps, games, photos, music and movies. Loaded with 16GB of DDR3 RAM to zip through multiple tasks in a hurry without lag.
- **BUILT IN CONNECTIVITY** - Stay connected to the internet with installed wireless capable technology and integrated network card. Play your favorite music files with stereo sound. Easily connect to large and multiple monitors through the installed onboard video connections.
- **WINDOWS 10 LATEST RELEASE** - A new installation of the latest Microsoft Windows 10 Professional 64 Bit Operating System software, free of bloatware commonly installed from other manufacturers. As Microsoft's latest and best OS to date, Windows 10 Professional 64 Bit will maximize the utility of each PC for years to come. Optional software such as Anti-Virus and Office 365 can also be easily downloaded through the Microsoft Windows App Store.
- **BUY WITH CONFIDENCE** - All Amazon Renewed computers come with a 90-day warranty and technical support to provide customers with unmatched quality and care.
