SUBJECT: Budget Transfer

Not that it is any news to the Court but, due to the policies concerning oil and gas in the USA from the present administration, the cost of fuel has doubled over the last year. Due to the above fact and the ever-present need to provide police coverage for the whole county, our fuel line is now without the funds needed to continue to operate.

Fortunately, not all of the "top-pay" slots are utilized and there is money to be transferred, within the SO budget that will make it unnecessary to tap into the reserves or general fund in the county. Furthermore, this transfer should also facilitate fuel coverage for the Clay County Constable's Office as well.

Therefore, in light of the above, I respectfully request that \$50,000 be transferred from line 10-700-105 and moved into line 10-700-415.
