PURPLE WAVE

IS

The easiest way to sell used equipment.

An internet auction company, selling all items “as is, where is,” eliminating transportation expense.

The most experienced at conducting “no reserve” auctions. Our bidders compete to maximize your results.

Full service, we handle every detail from auction planning, data capture, marketing, bidder qualification, and payment collection.

**Purple Wave connects
equipment sellers with buyers!**

WHY IT'S EASY

Regular scheduled auctions, no waiting for a sale.

Established buying community
of qualified bidders.

Our team of professionals come to you
and handle all pre-auction photos and listings.

Everything will sell as is, where is
with no transportation costs.

History of success and flexibility.

EST. **2000**

DATA CAPTURE

WE DO IT

Collect detailed
item listings

Take the photos

Shoot video

Upload to **purplewave.com** for bidding.

How to prepare your items for data capture and auction:

1. Identify items for auction. Provide an inventory before data capture if possible.
2. Ensuring the items are clean and accessible will help the listing.
3. Having keys, codes, maintenance records, and titles available will improve recoveries.
