So far, I'm very happy

Reviewed in the United States on December 23, 2018

Verified Purchase

As a teacher, I really wanted a workhorse printer for my classroom that would make my life a lot easier, and I was willing to spend more to get it. Actually, I should qualify that by saying that in the long run, it'll probably be cheaper. I hooked it up, no problems. The very next day, I arrived at work, and both copy machines were being used. Class starts, and I have no worksheets for the little angels. (Ever watch what happens when 30 10th-graders have nothing to do?) I put the
