Subject: Old Clay County Safes

Just checking back with you about if the Commissioners would consider declaring the two large safes, that used to be in the hallway of the Court House that are now in the Museum's Barn Annex, as salvage or find another place for them. As I mentioned before we have not found any historical significance to keep such large items in our limited floor space in the barn. As we plan for our regular Open House during Pioneer Reunion we are considering our exhibits in that area. We would appreciate knowing what the Commissioners think about the future of those two items. Thanks so much. Jill Avis
