The governmental entity identified above ("Texas Political Subdivision"), in order to obtain and in consideration for the benefits provided to the Texas Political Subdivision pursuant to the Allergan-Texas Statewide Opioid Settlement Addendum ("Allergan Texas Addendum"), and acting through the undersigned authorized official, hereby elects to participate in the Allergan Texas Addendum, release all Released Claims against all Released Entities, and agrees as follows.

1. The Texas Political Subdivision above is aware of and has reviewed the Allergan Texas Addendum, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Political Subdivision elects to participate in the Allergan Texas Addendum as provided therein.
2. The Texas Political Subdivision shall immediately cease any and all litigation activities as to the Released Entities and Released Claims and, within 14 days of executing this Participation Form, its counsel shall work with Allergan's counsel to dismiss with prejudice any Released Claims that it has filed against Released Entities.
3. The Texas Political Subdivision agrees to the terms of the Allergan Texas Addendum pertaining to Political Subdivisions as provided therein.
4. By agreeing to the terms of the Allergan Texas Addendum and becoming a Releasor, the Texas Political Subdivision is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date of the Release.
5. The Texas Political Subdivision agrees to use any monies it receives through the Allergan Texas Addendum solely for the purposes provided therein.

6. The Texas Political Subdivision submits to the exclusive jurisdiction and authority of the Texas Consolidated Litigation Court as defined in the Allergan Texas Addendum. For the avoidance of doubt, nothing contained in this Participation Form, or the Allergan Texas Addendum constitutes consent to jurisdiction, express or implied, over the governmental entity or its selected counsel to the jurisdiction of any other court (including without limitation MDL 2804, the MDL 2804 Fee Panel, the MDL 2804 Enforcement Committee, or the Court in which any Texas Consent Judgment is filed) for any purpose whatsoever.
7. The Texas Political Subdivision has the right to enforce the Allergan Texas Addendum in the Texas Consolidated Litigation Court as provided therein.
8. The Texas Political Subdivision, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Allergan Texas Addendum and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Texas Political Subdivision hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Allergan Texas Addendum are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Texas Political Subdivision to release claims. The Allergan Texas Addendum shall be a complete bar to any Released Claim.
9. In connection with the releases provided for in the Allergan Texas Addendum, each Texas Political Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Texas Political Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist,

whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Texas Political Subdivision's decision to participate in the Allergan Texas Addendum.

10. The Texas Political Subdivision acknowledges, agrees, and understands that the Settlement Amount in the Section of the Allergan Texas Addendum entitled Base and Incentive Payments for the benefit of the Participating Texas Political Subdivision, is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the governmental entity, constitutes restitution and remediation for damage or harm allegedly caused by Allergan in order to restore, in whole or part, the governmental entity to the same position or condition that it would be in had it not suffered the Alleged Harms; and constitutes restitution and remediation for damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law.
11. Nothing herein is intended to modify in any way the terms of the Allergan Texas Addendum Agreement, to which the Texas Political Subdivision hereby agrees. To the extent this Election and Release is interpreted differently from the Allergan Texas Addendum, the Allergan Texas Addendum controls.

I have all necessary power and authorization to execute this Election and Release on behalf of the Texas Political Subdivision.
