2023 Education Hours

Howdy,

This is a friendly reminder to file your 2023 Continuing Education Transcript with the Commissioners Court.

Pursuant to SB 546 (Section 6.231d of the Texas Property Tax Code).

Sec. 6.231. CONTINUING EDUCATION.

(a) A county assessor-collector must successfully complete 20 hours of continuing education before each anniversary of the date on which the county assessor-collector takes office. The continuing education must include at least 10 hours of instruction on laws relating to the assessment and collection of property taxes for a county assessor-collector who assesses or collects property taxes.

(b) In addition to the requirement described by Subsection (a), a county assessor-collector shall successfully complete continuing education courses on ethics and on the constitutional and statutory duties of the county assessor-collector not later than the 90th day after the date on which the county assessor-collector first takes office.

(c) Continuing education required by this section must be approved by a state agency or an accredited institution of higher education, including an institution that is a part of or associated with an accredited institution of higher education, such as the V. G. Young Institute of County Government.

(d) A county assessor-collector shall file annually a continuing education certificate of completion with the commissioners court of the county in which the county assessor-collector holds office.

(e) To satisfy the requirement described by Subsection (a), a county assessor-collector may carry forward from one 12-month period to the next not more than 10 continuing education hours that the county assessor-collector completes in excess of the required 20 hours.

(f) For purposes of removal under Subchapter B, Chapter 87, Local Government Code, "incompetency" in the case of a county assessor-collector includes the failure to complete continuing education requirements in accordance with this section.
