## **SUBJECT: DOOR ACCESS AND SECURITY**

---

Commercial & Industrial Electronics, Inc. (hereinafter referred to as C&I) proposes to furnish equipment and labor for the system as specified below. Taxes are not included in the pricing and, if required, would be at an additional cost.

All work will be performed in a workman like manner according to standard practices. Any alteration or deviation from specifications below or variation from plans and architectural specifications must be made on a written change order. All agreements are contingent upon strikes, accidents, weather, or any delay beyond the control of C&I. C&I shall cover all employees with workman's compensation insurance and general liability property insurance of which a copy of coverage will be supplied upon request.

### **Scope of Work (Access):**

- Install four (4) Mag-locks for two sets of double doors
- Install two (2) Mullion Style Card Readers
- Install two (2) Mullion Exit Request Buttons
- Install one (1) Power supply w/ battery backup
- Install one (1) DSX 1022 Control Panel
- Install one (1) DSX LAN Module
- Labor, cable and miscellaneous

**TOTAL: \$6,275.00 plus tax (if applicable)**

### **Scope of Work (Security):**

- Install one (1) DSC Control Panel
- Install one (1) LCD Keypad
- Install two (2) Wireless Panic Buttons
- Install one (1) Verizon GSM Cellular Module for Monitoring
- Labor, cable and miscellaneous

**TOTAL: \$1,150.00 plus tax (if applicable)**

### **System Monitoring:**

- 24-hour Monitoring of Security; \$31.00 per mo. plus tax

Exclusions include:

1. A/C circuit(s) (required).
2. No paint or patch work is included in this proposal.
3. Work with asbestos or any other materials that require special handling.
4. No taxes are included and, if required, will be at additional cost.

Authorized C&I Signature: \_\_\_\_\_
