OCTOBER

**RE: BROCK ROAD CLAY COUNTY TEXAS-PRECINCT 4**

Per Chase Broussard, we, the residents on Brock Road, Clay County Texas are petitioning the Commissioners Court to erect speed limit, children at play, and slow down signs on Brock Road in Clay County Texas.

Speeding vehicles, pick-ups/cattle trailers, water trucks, tank trucks, trash trucks, and/or delivery vehicles are speeding at a very high rate of speed up and down Brock Road daily. This road dead ends and is only accessible from FM 174 and Boot Tims Road.

If something is not done to slow these vehicles down, we are all concerned that there will be a MAJOR accident and or DEATH due to the high rates of speed.

Our prayer is that this matter be taken seriously and that signs be erected immediately.
