Hi Team,

I hope you are doing well.

My name is Zain, and I will be your Customer Success Manager for your TimeClock Plus account moving forward. I will serve as your primary point of contact for account support, renewals, and overall success with the platform.

I am reaching out as your upcoming renewal is approaching on 7/1/2026. I wanted to proactively share an important update regarding our pricing so you have full visibility and adequate time to plan accordingly. This year, we are expecting a pricing uplift in the range of **6 to 10 percent**, which will impact the per user cost at renewal.

To provide transparency, I have outlined below how an estimated 8 percent annual uplift would affect your invoices over the next seven years if you continue on your current annual plan.

### Annual Plan (with standard 8% uplift)

Annual Plan	Standard Uplift (%)	License Cost Per Employee	Total Payable
Year 1	8	\$48.600	<b>\$3,790.80</b>
Year 2	8	\$52.488	<b>\$4,094.06</b>
Year 3	8	\$56.687	<b>\$4,421.59</b>
Year 4	8	\$61.222	<b>\$4,775.32</b>
Year 5	8	\$66.120	<b>\$5,157.34</b>
Year 6	8	\$71.409	<b>\$5,569.93</b>
Year 7	8	\$77.122	<b>\$6,015.52</b>

As an alternative, we also offer more cost effective multiyear contractual options that can deliver meaningful savings over time. These plans allow you to lock in pricing by significantly reducing or eliminating annual uplifts for the duration of the contract. You would continue to be billed annually, with **no upfront payments required**, while benefiting from long term price stability and predictability. Below are the available contractual plan options for your review.

### 3-Year Plan (discounted) — Lock current pricing for 3 years

<b>3 Year Plan</b>	<b>Discounted Uplift (%)</b>	<b>License Cost Per Employee</b>	<b>Total Payable</b>
Year 1	3	\$46.350	<b>\$3,615.30</b>
Year 2	1	\$46.814	<b>\$3,651.45</b>
Year 3	0	\$46.814	<b>\$3,651.45</b>

**5-Year Plan (discounted)** — *Minimal uplift, long-term savings*

<b>5 Year Plan</b>	<b>Discounted Uplift (%)</b>	<b>License Cost Per Employee</b>	<b>Total Payable</b>

Year 4	0	\$46.350	<b>\$3,615.30</b>
Year 5	0	\$46.350	<b>\$3,615.30</b>

**7-Year Plan** — *Maximum savings & stability*
